Jackson Barracks
New Orleans, LA 70117

RE: Camp Villere New Home Construction, Camp Villere, Slidell, Louisiana (LA14-A-037)

Dear General Monconduit:

Due to unforeseen delays in the progress of the referenced project, Dammon Engineering would like to request an additional extension of nine (9) months of time on our existing contract. This extension is to allow time while awaiting clearance from Environmental Historic Preservation and to allow for our services during bidding, contract negotiations and construction. There will be no increase in our fee as a result of this extension of time.

If you have any questions, please feel free to call.

Sincerely,

David Dammon, VP
Dammon Engineering, Inc.
