Jonathan M. Trahan, P.E

Fourrier & de Abreu Engineers, LLC

Project Engineer

Re: Cell X Mundy Landfill

Mr. Trahan,

Thank you for considering Dammon Engineering. We are pleased to propose our services for the subject project.

Our understanding is that this agreement is for the electrical for 2 pump locations in Cell X. We anticipate that it will take 15 hours @ \$135/hr.

Also, if selected, we can provide Pump design. We anticipate that this will take 7 hours @ \$135/hr.

Please note these hours do not reflect time for Site Visits nor do they reflect time for submittal reviews.

Sincerely,

If you have any questions, please contact me.

Thank You,

David Dammon
President
