Early Submittal Review

Dear Mr. Seals,

Attached please find our responses to your inquiries regarding the Early Submittals Review, item Nos. 1 through 5.

Please note that the attached files are numbered according to your request, which was as follows:

1. Provide design loads and design criteria for the project.
2. Provide design calculations to support the foundation design.
3. Provide geotechnical report and column reactions which are the basis of the foundation design.
4. Provide column base details.
5. Provide the column grid on the structural drawings, S2.1.

If you have any questions, or require any additional information, please feel free to call.

Sincerely,

Chuck Dammon
