Dear Mr. Desai,

It was a pleasure to meet with you. Dammon Engineering, Inc. is pleased to propose our services to design your new Holiday Inn Express to be located in Denham Springs, Louisiana. Your new hotel will consist of a four story room facility after revisions to the prototype, utilizing the latest prototype. Plans will be submitted to Holiday Inn and the town of Denham Springs for approval.

We will provide a design package, including Site Plan, Structural, Building Elevations, Mechanical, Electrical, and Plumbing Plans. Per your instruction, our plan set will not include bid specifications. You also indicated that you do not require bid phase assistance.

We propose a total fee of \$40,000.00 (Forty Thousand Dollars), including five sets of plans provided to you following design completion, along with pdf's of all drawings. This fee does not include cost of soils analysis or other government agency fees. This fee also does not include the cost of the landscaping plan, survey/topo of the site, traffic study, or other engineering studies, which may be required. This fee does not include any town hall meetings, if needed it will be billed at an hourly rate.

We require a deposit of \$4000.00 and will bill at 30% design, 90% design and 100% design for the balance.
