RE: Residence
200 Washington St.
Bay St. Louis, MS 39520

Dear Mr. Williams,

Dammon Engineering, Inc. is pleased to propose engineering and design services for the foundation plan of the approximately 2,520 s.f. residence, located at the above referenced address in Bay St. Louis, Mississippi. *This work will include design of the foundation only.*

We propose a total fee of \$2.00/s.f., or \$5,040.00 (Five Thousand Forty Dollars) for this work. This fee includes five sets of plans provided to you following design completion. This fee *does not* include cost of soils analysis (if required), survey, topo, or other government agency fees.

If selected we ask for a deposit of \$1,040.00 to start work, with the remaining balance due following 100% design completion.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
