Dear Mr. Haddad,

Dammon Engineering, Inc. is pleased to propose our Engineering and Design services for the above referenced project, which will consist of the *Building Design Only* for the approximately 1,087 s.f. restaurant.

We propose a total fee of \$3,450.00 (Three Thousand Four Hundred Fifty Dollars) for this work. This fee includes the Fire Marshal review fee as well as five sets of plans provided to you following the Fire Marshal's review and response. This fee *does not* include site plan, the cost of soils analysis (if required), survey, topo, or other government agency fees.

If selected we ask for a deposit of \$450.00 to start work. We propose to then bill \$1,500.00 at 50% design completion, with the balance due following the Fire Marshal review and response.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
