RE: Old Town Kitchen  
Suite A  
227 Cousin Street  
Slidell, La. 70458

Dear Mrs. Valenica,

Dammon Engineering, Inc. is pleased to propose our services to design your new Old Town kitchen to be located in Old Town Slidell, Louisiana. Your new kitchen will consist of a single story facility of approximately 3,3088 sq. ft.

We will provide a design package, including Site Plan, Floor plan, Structural, Mechanical, Electrical, and Plumbing Plans. We will submit for the Fire Marshal review and IBC review.

We propose a total fee of \$3,500.00 (Thirty Five Hundred Dollars), plus the fee for the review fees and will include five sets of plans provided to you following design completion, along with pdf's of all drawings. This fee does not include cost of soils analysis or other government agency fees. This fee also does not include the cost of the Health Department, landscaping plan, sprinkler plan, fire alarm, survey/topo of the site, traffic study, or other engineering studies, which may be required. This fee does not include any town hall meetings, if needed it will be billed at an hourly rate.

We require a deposit of \$1,000.00 and will bill at 100% design for the balance.

Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Chuck Dammon, VP
