Re: Marco's Pizza
9212 W. Judge Perez Drive
Chalmette, LA 70043

Dear Mr. Nowakoski:

Plans and specifications for the above named project have been reviewed and found to be in substantial conformity with applicable provisions of the State Sanitary Code.

This plan approval refers to sanitary features of the design of the floor plan only, and is not to be taken as an approval of structural details, except insofar as they may affect sanitation.

In the event that it is determined at some point in the future that a design error escaped our detection during our review of these plans, specifications and noted clarifications, that oversight shall not relieve the applicant of the responsibility for complete compliance with the requirements of the Louisiana State Sanitary Code, specifically including correcting the violations inadvertently overlooked.

This plan approval is automatically cancelled if construction of the project has not been started within two (2) years after the date of this letter.

Sincerely,

A handwritten signature in cursive script, appearing to read "Gwendolyn Shook".
