Mr. Bourgeois:

Please find a the State Fire Marshall drawings and review letters attached.

I did not send Mr. Robichaux a complete set of the revised drawings, only the revised layout, but I have included a complete revised set for you. The revisions have to do with a sprinkler riser room at the rear of the space.

I am including a paid return FEDEX slip for the return of the drawings.

If you have any questions, please feel free to call.

Sincerely,

David Dammon
Project Manager
