Dear Dean:

Thank you for contacting us regarding the subject facility. Dammon Engineering, Inc. proposes to provide our Engineering services to remodel the subject 3600 s.f. convenience and gas station in accordance with your scope of work dated April 7, 2007.

We propose a total fee of \$2.00/sf, or \$7,200.00 (Seven Thousand Two Hundred Dollars and Zero Cents) for this work, including five sets of plans provided to you. This fee does include the cost of the State Fire Marshal and Health Department review, but does not include any surveys, analysis's or other government agency fees. I have contacted both the City of Kentwood and Tangipahoa Parish and found that a permit is not required for this project.

You will be invoiced for 100% of the project after the State Fire Marshal approval.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

David Dammon,
Project Manager
