Dear Mr. Reine,

Dammon Engineering is pleased to propose our services to furnish a site plan for the storage facility to be located on Old Military Road, in Pearl River, Louisiana.

We propose to furnish these services for the sum of \$2,500.00 (Two Thousand Five Hundred Dollars). If selected, we ask for a deposit of \$500.00 to begin work. The balance will then be due following site plan approval. Please be aware that we have started work on the site plan for the Front Street Retail Center and will not start work on this project until the site plan for that project is approved.

Dammon Engineering carries \$1,000,000. Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance.

We appreciate the opportunity to propose our services for this project. Please indicate your acceptance of the above, by signing below.
