May 12, 2014

## Scope of work;

Provide and install a 3/4" plywood sub top with # 3699-58 edge banding in the kitchen and mens toilet.

\$ 638.40

Provide and install a plastic laminate profile wall 40 3/4" high x 96" long as per the drawing provided to us.

\$ 964.60

Provide additional granite top and horizontal facing with an over hang on the interior side, two holes will be added for the electrical receptacles. Modifications for the proposed new sink are included in this price.

\$ 1,288.00

Furnish and install two additional electrical receptacles' in the vertical granite wall.

\$ 224.00

Provide and install one of the following plumbing options.

Provide and install revised sink ELUHWS3120L, faucet Kraus KPF-1602 and shelf LKWS 1418SS less original sink Elkay CR33223 and Delta faucet 100-DST

\$ 1,067.27

OR

Provide and install revised sink ELUHWS3120LPD, faucet Kraus KPF-1602 and shelf LKWS1418SS less Sink Elkay CR 33223 and Delta 100-DST.

\$ 1,140.48

We will require one additional week for fabricating and installing the cabinetry, at that time we will re-measure and install the granite which will require up to three weeks to acquire. We request four weeks be added to the contract time.

All work to be done during normal working hours.
