Re: Pool – 629 Camellia Boulevard

Dear Ms. Tracey,

In response to your e-mail of April 21, 2010, I offer the following options for resolution:

1. You have agreed to partial inspections as per my letter of April 8, 2010.
2. Our Attorney's Office has prepared "An Engineer's Letter" for execution. This document is attached.
3. The Hold Harmless Agreement as prepared is not negotiable. Our attorney has reviewed your requests for changes but does not feel such changes are appropriate.

I trust you know that this office is trying to solve your problem as quickly as possible.

Most Sincerely,

Re: Swimming Pool Constructed at
[ADDRESS]
by **[CONTRACTOR]**

Dear Director,

The undersigned is a Professional Engineer, duly licensed by the State of Louisiana. In the capacity as a licensed engineer, the undersigned hereby represents, warrants and certifies to Lafayette City-Parish Consolidated Government (“**LCG**”) as follows:

1. That I am familiar with and knowledgeable of the swimming pool constructed at **[ADDRESS]** (the “**Pool**”); and
2. That I have reviewed the construction plans and drawings for the Pool, including but not limited to the metal bonding plan; and
3. That I have inspected the construction of the Pool or have conducted independent investigations with respect to the construction of the Pool necessary to formulate the opinions set forth herein; and
4. That it is my professional opinion, as an engineer licensed by the State of Louisiana that construction of the Pool, including but not limited to the bonding systems for the Pool have been constructed and installed in accordance with the requirements of the National Electrical Code (as of the date hereof) and fully comply with the requirements of the National Electrical Codes (as of the date hereof).

In delivering the foregoing statements and opinions, the undersigned acknowledges and agrees that LCG shall rely (and the undersigned consents to such reliance) upon such statements and opinions in connection with the issuance of a final inspection or approval with respect to the Pool and that LCG will not issue and would not have issued, such final inspections or approvals without the material inducement of the statements and opinions of the undersigned made herein.

Sincerely,
