IMPORTANT - MUST READ TRAVEL DOCUMENTATION

Proper travel documentation is required at embarkation and throughout the cruise. Even though a guest has completed registration using Fun Pass, it is still the responsibility of the guest to bring all required travel documents. Guest should check with their travel agent and/or government authority to determine the travel documents necessary for each port of call. Any guest without proper documents will not be allowed to board the vessel and no refund of the cruise fare will be issued. Carnival assumes no responsibility for advising guests of proper travel documentation.

CRUISE TRAVEL

Carnival highly recommends all guests travel with a passport (valid for at least six months beyond completion of travel). Although a passport is not required for U.S. citizens taking cruises that begin and end in the same U.S. port, travelling with a passport enhances your disembarkation experience, as delays may be expected upon your return to the U.S. if you do not have one. Additionally, passports make it easier for you to fly from the U.S. to a foreign port should you miss your scheduled port of embarkation, or need to fly back to the U.S. for emergency reasons. For more information on acceptable documents please [click here](#) or visit www.travel.state.gov.

AIR TRAVEL

Passports are required for air travel to or from Europe, Canada, Mexico, Central America, the Caribbean, the Bahamas and Bermuda. This will impact all guests traveling by air to embark or debark in London or Rome for our European cruises, Vancouver for our Alaska or Hawaii cruises; and our Canadian guests that travel by air to or from any of our U.S. embarkation port.

For more information or to obtain a passport application, visit www.travel.state.gov

FUNPASSsm

Register online at www.carnival.com/mycruise to get a FunPass that will expedite your check-in on the day of sailing.

24/7 TRAVEL HOTLINE

If you are on your way to a "Fun Ship®" cruise and run into the unexpected, please feel free to call our 24 hour Travel Hotline at 1-877-TVL-HTLN(877-885-4856) where a Carnival representative will assist with any travel emergency. If you are outside the U.S. and need to call collect, please call 305 406 4779.

TRAVELING WITH A MINOR?

When traveling with a minor and both parents/legal guardians are not cruising, we strongly recommend bringing an original signed letter from the absent parent/guardian authorizing the minor to travel with you. This will expedite processing by the Department of Homeland Security. Please note that a letter to this effect is required if debarking with children in Mexico.

BAGGAGE ADVICE

Guests are encouraged to limit their checked luggage to two suitcases per person, with each suitcase not to weigh more than 50 pounds and not exceed 16"h x 24"w x 30"l. Since the delivery of checked bags may take some time to reach your stateroom, you may elect to bring your own bags on board if they do not exceed 24"w x 16"h. This advantage will ensure prompt and easy access to your baggage. Please note that Carnival assumes no responsibility for carry-on baggage.

We highly recommend that guests personally carry any boarding documentation (passports, visas, I.D.), valuables, medications, and items which require special handling on and off the vessel.

For security reasons, we suggest all checked luggage be unlocked prior to turning it over to the porters.

FLY AWEIGH® GUESTS

If electronic tickets were issued, you will find an E-Ticket Information section in this electronic document. In lieu of an E-Ticket, it may have been necessary to issue paper airline tickets for your trip or a portion of your flight schedule. Paper tickets will be sent via mail if required for your journey. Paper airline tickets should never be destroyed or discarded. If you purchased air from Carnival, the original airline tickets MUST be returned in order to expedite the issuance of a replacement ticket, if necessary. A Lost Ticket Application Fee of up to \$200 per ticket may be incurred if tickets are not returned. Airline tickets should be returned to:

Carnival Cruise Lines,
Travel Services Department, MSAS 554-S;
3655 NW 87th Avenue;
Miami, FL 33178

SPECIAL NOTICE - EMBARKATION

For your comfort and convenience, we strongly encourage you NOT to arrive at the cruise terminal more than 30 minutes prior to the scheduled Check-In start time for your cruise. Due to U.S. Customs and Border Protection, early arriving guests may not be permitted to enter the cruise terminal upon arrival. Early arrivals may have a prolonged wait time in potentially warm or inclement weather conditions.

SECURITY SCREENING AND PROHIBITED ITEMS

In order to maintain a safe and secure environment, Carnival prohibits certain items onboard, i.e., weapons, candles, irons, alcohol, or other dangerous goods. According to our policy, Carnival conducts security scanning of all luggage and if prohibited items are found, they will be removed and stored for safekeeping until the end of the voyage. The retained item(s) will be delivered to your stateroom on the last night of the cruise. Unsealed containers with prohibited liquids will be discarded, as well as any unclaimed items left after the voyage, and no compensation will be given in either case. For additional information, please refer to the terms and conditions of your cruise ticket contract.

We suggest all luggage be unlocked before turning over to the porters in order to avoid any inconvenience or delay in delivering the luggage to your stateroom. Should you choose not to unlock your bags and prohibited items are found during screening, your luggage will be retained until you can open it in front of security personnel.

Guests, 21 years of age and older, may bring one bottle (750ml) of wine or champagne, per person, only in their carry-on luggage.

GUESTS WITH SPECIAL REQUIREMENTS

For more information on Carnival's provisions for guests with special requirements please [click here](#).

Before You Sail

LIQUOR & BEVERAGE POLICY

Guests are prohibited from bringing alcoholic beverages onboard. However, at the beginning of the cruise during embarkation day guests (21 years and older) may bring on board one bottle (750ml) of wine or champagne, per person, only in their carry-on luggage. A \$10 corkage fee per bottle will be charged should you wish to consume this wine in the dining room or a \$14 corkage fee per bottle in the Supper Club. Guests may bring a small quantity of non-alcoholic beverages.

All prohibited alcohol, excessive quantities of wine/champagne or non-alcoholic beverages will be removed and stored for safekeeping until the end of the voyage. The retained item(s) will be delivered to your stateroom on the last night of the cruise. Unsealed containers with prohibited liquids will be discarded, as well as any unclaimed items left after the voyage, and no compensation will be given in either case. Guests may purchase a variety of beverages on board the ship. Alcoholic beverages will not be sold or served to anyone under the age of 21. We reserve the right to refuse the sale of alcoholic beverages to anyone. Alcoholic beverages purchased in the ship's gift shops or in ports of call will be retained by Carnival until the end of the voyage.

Carnival Cruise Lines does not allow guests to bring large coolers on board its vessels. However small, personal-sized coolers no larger than 12" x 12" x 12" for the purpose of housing small quantities of non-alcoholic beverages and/or medications are permitted as carry-on luggage. Screening and movement of large coolers through embarkation is an impediment to the boarding and security screening process and therefore large coolers are not permitted as carry-on or checked luggage.

STATEROOM ASSIGNMENTS

Stateroom assignment is subject to change in the event the guest occupancy varies on sailings with maximum occupancy restrictions.

DINING RESERVATIONS

At time of booking, Carnival guests will be able to confirm their preferred dining choice. If their preference is not available, they may confirm an alternate choice and be waitlisted for their preferred choice. Waitlists will be cleared prior to the sailing and guests will be notified by email. Parties traveling together who are waitlisted will be cleared for the same dining time. To be fair to all of our guests, your Maitre D' does not encourage and will not accept gratuities to ensure specific dining reservations or arrangements.

SECTION II Travel Protection Coverages Underwritten by Virginia Surety Company, Inc.

PART B: Medical Protection

Emergency Evacuation:

The Insurer will pay benefits for Covered Expenses if an Injury or Sickness commencing during the course of the Cruise Vacation results in Your necessary Emergency Evacuation. An Emergency Evacuation must be ordered by a legally licensed Physician who certifies that the severity of Your Injury or Sickness warrants an Emergency Evacuation. Emergency Evacuations must be verified, approved, and arranged in advance by On Call International. The Insurer will not cover any expenses provided by another party at no cost to You or already included in the cost of the Cruise Vacation.

Emergency Evacuation means:(a) Your medical condition warrants immediate Transportation from the place where You are injured or sick to the nearest hospital where appropriate medical treatment can be obtained; and/or (b) after being treated at a local hospital, Your medical condition warrants Transportation to Your origination point to obtain further medical treatment or to recover.

Covered Expenses are customary and reasonable expenses, up to \$30,000, for Transportation, medical services, and medical supplies necessarily incurred in connection with Your Emergency Evacuation. Expenses for medical services and supplies must be recommended by the attending Physician. All Transportation arrangements made for Your evacuation must be by the most direct and economical route possible. Expenses for Special Transportation must be:

(a) recommended by the attending Physician;

(b) required by the standard regulations of the conveyance transporting You; AND

(c) verified, approved, and arranged in advance by On Call International.

Transportation means any land, water, or air conveyance required to transport You during an Emergency Evacuation. *Special Transportation* includes, but is not limited to, air ambulances, land ambulances, and private motor vehicles.

Additional Covered Expenses: If You are hospitalized for more than seven (7) days following a covered Emergency Evacuation, the Insurer will pay: (a) to return Your accompanying dependent children under 25 to their home, limited to the cost of one-way economy airfare, less the value of applied credit from an unused return travel ticket, with an attendant if necessary; and/or (b) up to the cost of round-trip economy airfare to bring a person chosen by You to and from Your bedside if You are traveling alone.

These expenses must be authorized in advance by On Call International. The Insurer will not cover any expenses provided by another party at no cost to You or already included in the cost of the Cruise Vacation.

PLEASE NOTE: In no event will Covered Expenses for Emergency Evacuation exceed \$30,000.

Repatriation of Remains

The Insurer will pay the reasonable Covered Expenses incurred, up to \$30,000, to return Your body to Your point of origin if You die during the Cruise Vacation. *Covered Expenses* include, but are not limited to, expenses for embalming, cremation, coffin for repatriation, and Transportation.

Accident & Sickness Medical Expense

The Insurer will pay benefits, up to \$10,000, if You incur necessary Covered Medical Expenses as a result of an Injury, or up to \$10,000 if You incur necessary Covered Medical Expenses as a result of Sickness. The accident causing such Injury must occur while You are covered under the policy, and the Sickness must first manifest itself during Your Cruise Vacation. You must receive initial treatment within ninety (90) days of the accident which caused the Injury or the onset of the Sickness. All services, supplies, or treatment must be received within 52 weeks of the date of the accident or the onset of the Sickness.

Covered Medical Expenses are necessary services and supplies which are recommended by the attending Physician. They include the services of a legally qualified Physician, surgeon, graduate nurse, dentist, or osteopath; charges for hospital confinement and use of operating rooms; charges for anesthetics (including administration); x-ray examinations or treatments and laboratory tests; ambulance service; drugs, medicines, and therapeutic services and supplies. The Insurer will not pay benefits in excess of the reasonable and customary charges commonly used by providers of medical care in the locality in which the care is furnished. The Insurer will advance payment to a hospital, up to \$1,000, if needed, to secure Your medically necessary admission.

Pre-Existing Conditions

Under Section I and under the Accident and Sickness Medical Expense coverage in Part B of Section II, no payment can be made for any expenses incurred as a result of Injury, Sickness, or other condition affecting You, a Traveling Companion, or an Immediate Family member booked to travel with You which, within the 60-day period before Your protection plan purchase: a) first manifested itself or had symptoms which would prompt a reasonable person to seek diagnosis, care, or treatment; b) required taking prescribed drugs or medicine, unless the condition for which the prescribed drug or medicine was taken remained controlled without any change in the required prescription; or c) required treatment or treatment was recommended by a Physician

If You have any questions concerning this exclusion, please call BerkelyCare at 1-(800) 331-2796 for further clarification.

If, after purchasing the Cruise Vacation Protection Plan, You must cancel Your Cruise Vacation and You are denied a cash refund for Your trip cancellation due to a pre-existing condition, Carnival Cruise Lines will instead provide You with a future cruise credit in the amount of Your cancellation penalty.

Part C: Baggage Protection

Baggage/Personal Effects
