Slidell, LA RFI #: 35

Subject Description	Spec. Sec. Ref.	Paragraph Ref.	Drawing Ref.	Detail
A-1			A-1	

Cost Impact (if known)	Amount	Schedule Impact (if known)	Days	Drawing Impact	Completed
Unknown at this point					

Information Requested:

On the A-1 drawings the storefront windows are marked to be 9' tall on the drawings but appear to be 11'. Pete decided to make them uniform at 11'. Please advise, I just wanted to clarify this in an RFI.

They are supposed to be the same height as existing, except to allow for the added concrete floor. We don't want to add or subtract wall.

Information Requested:

The 8700 specifications supplied need clarification on the card swipe and mag lock combo system with panic bars. How would they interact with the alarm system and who should supply them? Will this produce a PCO? Please clarify.

I have contacted the security access contractor for the parish, Dan Lackey. He will be available to meet and clarify the system set up as soon as his contract is in place and he has documents from the related sub-contractors.

Information Requested:

We are concerned that the ceiling hieght vs. Mechanicals vs. Lighting vs. Sprinkler will cause a conflict in usable space. We believe there will not be enough room. Please clarify.
