- RESCAL ALL CONCRETE FLOORS.
- REMOVE AND REPLACE EXISTING GYPSUM BOARD PARTITIONS, CEILINGS, ETC. WITH NEW CONSTRUCTION.

NOTE: ALL WORK OUTLINED ON THIS DRAWING IS PART OF ALTERNATE 3.

These drawings are conceptual in nature and are not suitable for construction. It is the intent of these documents to clearly delineate the baseline minimum scope, scope and quality of the project. It is the responsibility of the design-builder that his proposal provides for a complete and functional facility responding to relative Army National Guard criteria, recognized industry standards and applicable building codes regardless of the content of these conceptual drawings. Further, it will be the responsibility of the successful design-builder and his architect of record to prepare complete construction documents responding to the fullest intent of the conceptual drawings and specifications.
