Sketchup Order Confirmation # 573002

Thank you for your purchasing SketchUp Pro! Please follow these steps to begin your SketchUp experience.

Step 1: Download

Every major version of SketchUp Pro is a separate program. You can download SketchUp Pro 2014 by clicking [here](#). Look at the **SketchUp Pro 2014** row and click "Download" under the Windows version or the Mac OS X version based on the computer you're using.

SketchUp Product Downloads

	Mac OS X	Windows	Terms and Conditions
SketchUp Pro 2014	Download	Download	Terms and Conditions
SketchUp Make 2014	Download	Download	Terms and Conditions

Step 2: Install

After your download completes, double-click on the install file ("SketchUpPro-en.exe" for Windows or "SketchUpPro-en.dmg" for Mac) and follow the instructions.

Step 3: Authorize

You will receive **three emails** from us: an order confirmation, your license information, and your upgrade and support information. *Please check your email's spam or bulk mail folder if these emails are not in your Inbox.*

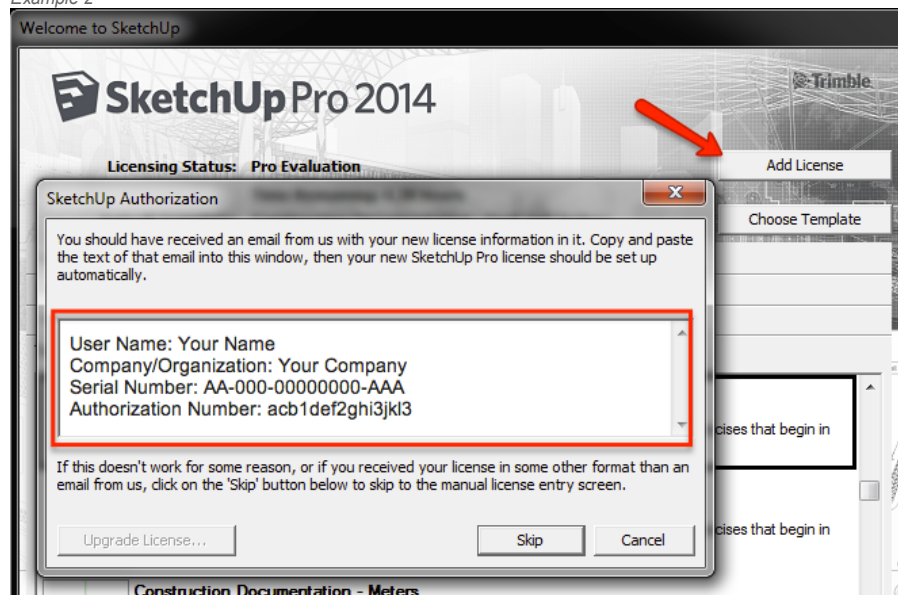

To authorize...

1. Double-click on the "SketchUp 2014" icon on your Desktop.
2. Click the "Add License" button in the Welcome dialog box.
3. Open your email and look for a message with the subject "Your SketchUp License Information." See Example 1 below.
4. Copy and paste your name, serial number, and authorization number into SketchUp's "Add License" window. See example 2 below.
