**Date:** Tuesday, November 04, 2014 1:25:41 PM

---

Dear David,

**Please do not reply to this email. This is an automatically generated email and replies are not monitored.**

**Attention!!! Our licensing and installation process has changed! Please read to [learn more](#).**

**Below is your SketchUp Pro 2015 license information! [What's new in SketchUp Pro 2015?](#)**

-----  
**User name: David Dammon**  
**Company/organization: Dammon Engineering**  
**Serial number: QA-00139881-ALW**  
**Authorization Code: bb73cd2905545**  
**Maintenance and support number: 687791**  
**Maintenance and support expiration date: 03/17/2015**

-----  
**Because you purchased SketchUp Pro 2014 with a one year maintenance and support agreement, your SketchUp Pro license has been upgraded automatically! All you need to do now is [Download SketchUp 2015](#), install, and [authorize](#) it with your new license information provided above.**

Please be aware that SketchUp requires an internet connection to properly apply your license on first run. If you have any network restrictions in your environment you may wish to review our Knowledge Center article on network connectivity [here](#).
