

ARCOM -- AIA/CES Memo
Update on AIA Continuing Education Requirements
MASTERSPEC Independent Study Program
 May/June 2006 Update

The AIA requires that MASTERSPEC Licensed Users complete a test covering each Updated Section reviewed to receive credit. Earn one Learning Unit (LU) for every section on which you score at least 80 percent. These LU credits also fulfill Health, Safety & Welfare (HSW) requirements. Study materials include the Section Text, Evaluations, and other supporting documents. **You will receive 1 hour of credit for either the MasterFormat 2004 version or the MasterFormat 1995 version of a Section (not both).**

Test Pages/Answer Sheets are installed with the MASTERSPEC Supporting Documents and are also available on the ARCOM Web site:

<http://www.arcomnet.com/licenseduser/support/training/aia-ces.html>

Following are Sections selected for credit from the **May/June 2006** Full Length, Short Form, and Supplemental Update. Your MASTERSPEC License must be current for any Sections submitted:

MF 04	018113	SUSTAINABLE DESIGN REQUIREMENTS
<i>MF 95</i>	<i>01352</i>	<i>LEED REQUIREMENTS</i>
MF 04	073113	ASPHALT SHINGLES
<i>MF 95</i>	<i>07311</i>	<i>ASPHALT SHINGLES</i>
MF 04	074600	SIDING
<i>MF 95</i>	<i>07460</i>	<i>SIDING</i>
MF 04	075323	ETHYLENE-PROPYLENE-DIENE-MONOMER (EPDM) ROOFING
<i>MF 95</i>	<i>07531</i>	<i>ETHYLENE-PROPYLENE-DIENE-MONOMER (EPDM) ROOFING</i>
MF 04	081433	STILE AND RAIL WOOD DOORS
<i>MF 95</i>	<i>08212</i>	<i>STILE AND RAIL WOOD DOORS</i>
MF 04	083613	SECTIONAL DOORS
<i>MF 95</i>	<i>08361</i>	<i>SECTIONAL OVERHEAD DOORS</i>
MF 04	084243	INTENSIVE CARE UNIT/CRITICAL CARE UNIT (ICU/CCU) ENTRANCES (Supplemental Section)
<i>MF 95</i>	<i>08343</i>	<i>ICU/CCU ENTRANCE DOORS (Supplemental Section)</i>
