

Edit this to say "Dammon Engineering"

I need to change this image to the one attached.

A screenshot of the Dammon Engineering website homepage. The header features the company logo "DAMMON ENGINEERING, INC. ARCHITECTS & ENGINEERS" circled in red, with the text "Since 1978" and the phone number "(985) 649-5832". The navigation menu includes "HOME", "RETAIL", "MEDICAL", "HOTELS", and "CONTACT". The main banner features a large image of the "Slidell West Shopping Center" and a date "Saturday 05 September". Below the banner, there are sections for "NEW CONSTRUCTION" and "RENOVATION" with corresponding images. A central text block describes the company's services, accompanied by an image of hands reviewing architectural plans. A sidebar on the left contains a "Home" menu, a "CONTACT US" button, and a "Services:" section circled in red, which lists "Architectural" (Planning, Design), "Engineering" (Civil, Structural, Mechanical, Electrical), "Inspections", and "Expert Witness". A "Memberships & Affiliations" section displays logos for the East St. Tammany Chamber of Commerce, Rotary International, Louisiana Engineering Society, ASCE, and NFPA. Contact information is provided at the bottom of the main content area. The footer includes the copyright notice "© 2012 Dammon Engineering. All rights reserved." and the "RHINOWEB" logo.

I need to remove "Architectural, Planning, Design" from the Services; Also remove "Expert Witness" at the bottom
