RE: Sixth Baptist Church
928 Felicity Street
New Orleans, La. 70130

Dear Mr. Washington,

Dammon Engineering is pleased to provide you a proposal to provide engineering services to design the renovations of the Sixth Baptist Church located at the above address.

We will provide a Structural design package for a fee of \$7,000.00.

We will provide a design package including, Mechanical, Electrical and Plumbing Plans to meet the needs of this renovation.

We propose a total fee of \$28,000.00 (Twenty Eight Thousand Dollars) including five sets of plans provided to you following design completion, along with pdf's of all drawings. We will also provide construction administration during the construction phase.

This fee does not include cost of soils analysis, Fire Alarm, Sprinkler Systems or other government agency fees. This fee also does not include the cost of the landscaping plan, survey/topo of the site, traffic study, or other engineering studies, which may be required.

We will bill at 50% schematic review, and 100% design for the balance.

Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Chuck Dammon
