David

On the Roof Specifications (the un-bound "Section 07 52 00", a few changes required:

1. Page 07 52 00-2, Par. 1.6 A: "Submittals prior to start" - Insert/modify to state the owner **May** have these tests performed if desired.
2. Page 07 52 00-3, Par 1.7A: "Submittal of alternate System": We can't require the indicated alternate product submittal before bid. They can submit after, if they fill out everything on those last sheets and we get it tested. I really don't think that they will go through that for this small area.
3. Page 07 52 00-9, Par. 2.1A: delete the "pre-bid only" wording. Leave the requirement to submit "Request Form"

Send me the changes

Thanks David
