Bypass bath and shower door shall have fluted wall jambs with capped plinth blocks. Shower door shall be Kohler Model K-_____ -_____ -_____.

PORTICO™

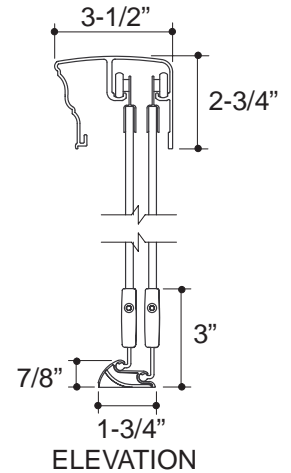

INSTALLATION NOTES

If your installation has multiple shower spray systems, order Vinyl Seal Kit 88773 prior to installing your Portico door.

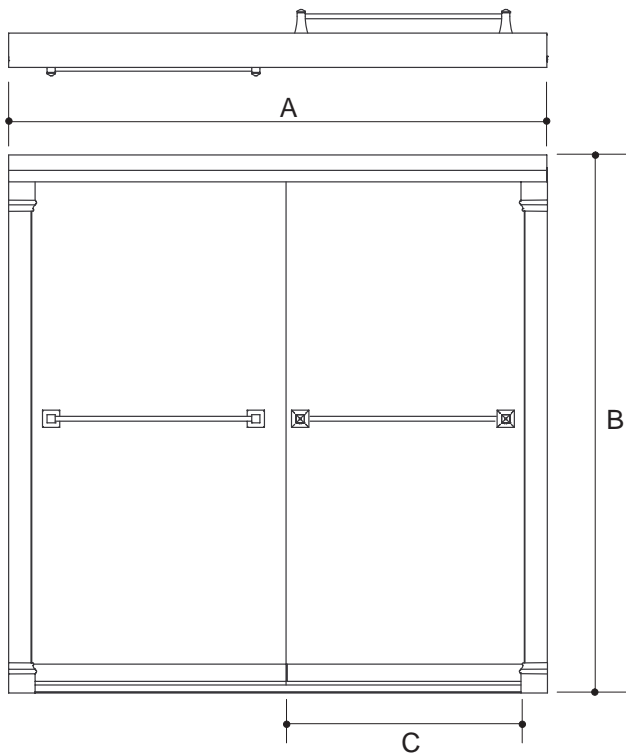

IMPORTANT: The Portico shower door requires a minimum of 3-1/4" of flat mounting surface in order to be properly installed. Installing these doors with less than this dimension may result in the front face of the header protruding past the edge of the enclosure.
