RE: Our Lady of the Lake
Medical Oncology Building/Patient Area
8119 Picardy Ave.
Baton Rouge, Louisiana

Dear Mr. Blewster,

Dammon Engineering is proud to provide our services for the above referenced facility located in Baton Rouge, Louisiana and consisting of renovations to the Medical Oncology Patient Area of Our Lady of the Lake Regional Medical Center.

We propose a fee of \$8,850.00 (Eight Thousand Eight Hundred Fifty Dollars). This fee includes design services for the Mechanical, Electrical & Plumbing design as well as construction surveillance.

If selected, we will require a deposit of \$850.00 to start work. We will then invoice \$3,250.00 at 50% design completion and \$3,250.00 at 100% design completion, with the balance invoiced during the construction period.

Once terms are agreed upon, please advise us as to whether this work will be performed under a subcontract, or if you would like for us to prepare an AIA contract for your approval.

If you have any questions, or require any additional information, please feel free to call.

Sincerely,

Chuck Dammon, VP
Dammon Engineering, Inc.
