CAD Disclaimer Statement**

This computer aided design (CAD) data is provided for the convenience of the recipient user only and whom is referenced in this document from here forth as the user. The CAD data was prepared as a Greenleaf Lawson Architects, APAC internal working document. As such it may be incomplete, contain deliberate or unintentional inaccuracies or be in part obsolete. Therefore Greenleaf Lawson Architects, APAC makes no representation as to its completeness, currency or accuracy. The user is further warned that, while all digital CAD data appears to be extremely accurate, this apparent accuracy is an artifact of the techniques used to generate it and is in no way intended to imply actual accuracy. Greenleaf Lawson Architects, APAC shall not be liable for any modifications to this data made by the user. The user of this data takes full responsibility for the accuracy and correctness of all measurements, areas, inventories, etc. extracted from this data either manually or with the use of a computer.

The user is advised that any translation of CAD data from one computer system or environment to another can often result in the loss of important data. The loss can include but may not be limited to: portions of text and dimensions, the existence, location or scale of symbols or other elements of graphics, the internal structure of the data including layers and data attributes, and the style or weight of lines. Greenleaf Lawson Architects, APAC makes no representations as to the usability of this CAD data on any system.

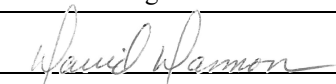

Users of this computer data are advised to review all current and subsequent project documentation issues for inconsistencies and revisions. It is the sole responsibility of the user to identify and make all required revisions or corrections of this data. Greenleaf Lawson Architects, APAC will not routinely issue updates to CAD data.

To the fullest extent permitted by law, the user shall defend, indemnify and hold harmless Greenleaf Lawson Architects, APAC, Owner and Developer, from all claims, damages, losses and expenses, including attorney's fees, arising out of or resulting from user's use or reuse of these electronic files.

These electronic files are not construction contract documents. Significant differences may exist between these electronic files and corresponding hard copy construction contract documents due to addenda, change orders or other revisions. Greenleaf Lawson Architects, APAC makes no representation regarding the accuracy or completeness of the electronic files received. In the event that a conflict arises between the hard copy construction contract documents prepared by Greenleaf Lawson Architects, APAC and the electronic files, the signed and sealed hard copy construction contract documents shall govern. The user is responsible for determining if any conflicts exist. By use of these electronic files, the user is not relieved of his duty to fully comply with the contract documents, including without limitation, the need to check, confirm and coordinate all dimensions and details, take field measurements, verify field conditions and coordinate work with others.

Under no circumstances shall delivery of the electronic files for use by the user be deemed a sale by Greenleaf Lawson Architects, APAC and Greenleaf Lawson Architects, APAC makes no warranties, either expressed or implied, of merchantability and fitness for any particular purpose nor should the user duplicated or transfer the data to any other individual or entity. In no event shall Greenleaf Lawson Architects, APAC be liable for any loss of profit or any consequential damages from the use or reuse of these electronic files.
