Reference RFI 44 response:

Per discussion between WHLC (Jason Bethany) and North Oaks Hospital (Ed Wascom), please confirm that the access control proximity readers shown at doors 4000, 4000A and 4011 are not required and that associated pricing for this revision should be included in the ASI No. 02 pricing.

Requested by: Jason Miranda
The Lemoine Company L.L.C.

Response:

The access control proximity readers shown at doors 4000, 4000a and 4011 are not required, but the associated pricing for this revision should be included in the Change Request (CR) 16 related to the RFI 44 response. Please revise the CR 16 to show this associated cost.
