Important! You Have More Time to File and Pay Your Taxes Due to a Disaster

The Federal Emergency Management Agency (FEMA) issued a disaster declaration for your area. This means the IRS has automatically granted you disaster relief which includes a **postponement of the deadline for you to file your return and make your payment**. This means you have additional time to pay beyond the due date listed on any other notice in this mailing.

Please note: You do not need to contact us to get this extra time to pay; it is automatic.

To determine your filing and payment due date, scan the code below or visit [IRS.gov/DisasterTaxRelief](https://www.irs.gov/DisasterTaxRelief) to locate your specific state and county by disaster area. Remember to **pay the amount you owe by the extended due date, to avoid paying additional penalties and interest.**

Scan here to find your extended payment due date based on your disaster area.

For disaster questions, please call the IRS Disaster Hotline at 866-562-5227.
