Ref: New 5000 Gal Treatment Plant

Dear Mr. Crippin

It was a pleasure to discuss with you a new 5000 GPD STP installation at the above location. Dammon Engineering, Inc. is pleased to propose our services to design the treatment plant to pass State and local codes for occupancy.

We will provide a design package, including Site Plan, Floor Plan and Equipment plan Layout
We propose a total fee of \$4,000.00 (Four Thousand Dollars). Including three sets of plans provided to you following design completion, along with pdf's of all drawings.

This fee does not include cost of soils analysis, or other government agency fees. This fee also does not include the cost of the landscaping plan, survey/topo, drainage plan of the site, traffic study, or other engineering studies, which may be required. This fee also does not include any Construction Management.

We require a deposit of \$1,000.00 and will bill at 100% design for the balance after local jurisdiction Approval.

Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Chuck Dammon, Vice President
