To whom it may concern;

I'm writing this letter of recommendation on behalf of Enviro-Tech Construction. Our firm has worked with Enviro-Tech on multiple jobs since 2006. During this time period, Enviro-Tech has always performed excellent work and met all of its obligations including paying subcontractors and suppliers in a timely manner.

Dammon Engineering considers Enviro-Tech to be honest and capable. Dammon Engineering highly recommends Enviro-Tech Construction for a contractor's license in the State Of Mississippi.

If you need further information, please feel free to contact us.

Sincerely,

Chuck Dammon, Vice President
