

PUBLIC NOTICE

**BOARD OF COMMISSIONERS PORT OF NEW ORLEANS
REQUEST FOR QUALIFICATIONS
JULIA STREET CRUISE TERMINAL IMPROVEMENTS
WORK ORDER 1-938**

The Port of New Orleans has issued a Request for Qualifications (RFQ) from **Louisiana licensed, professional, architectural firms** interested in being considered for award of a professional services contract for the Julia Street Cruise Terminal Improvements in New Orleans. Professional services to be provided under this single contract include architectural design; civil engineering; surveying; mechanical and electrical engineering, construction materials testing laboratory services, and construction inspection services. The project has an estimated construction value of approximately \$4 million and consists of primarily interior renovation of the two existing cruise terminals into a single, larger cruise terminal with miscellaneous related structural, electrical, and mechanical work.

Interested firms may receive the RFQ via the Port of New Orleans website at www.portno.com under the DOING BUSINESS WITH THE PORT, under PROCUREMENT, under PORT ENGINEERING CONSULTANTS, under JULIA STREET CRUISE TERMINAL IMPROVEMENTS. The RFQ contains project information and instructions on submitting qualifications. In addition, the same website has the form PONO SF-102 that can be downloaded. **This form must be completed and SIX originals mailed or delivered (no facsimile nor email) to the Board of Commissioners Port of New Orleans, Ms. Deborah D. Keller, P.E., Director of Port Development, 1350 Port of New Orleans Place, New Orleans, Louisiana 70130 no later than 3 p.m. on Monday, March 8, 2010 to be considered.**

The Port of New Orleans encourages participation of MBE/DBE/WBE firms. Refer to the RFQ. Due to the multiple disciplines of professional services required, firms are strongly encourage to respond to the RFQ as a Consultant/Team via a Prime Consultant, which must be licensed by the State of Louisiana to practice architecture at the time of submittal of the RFQ.

Inquiries shall be directed to Ms. Keller by email only at kellerd@portno.com.
