Inner Wheel Club of Slidell Annual IWUSA Foundation Walk Saturday, February 23, 2019

Give a Child A Hand

Would YOU like to give a child a hand??

Would you, Could you? YES you can!!

It's easy and simple, as you will see,

Just follow these steps, there's only three.

One, Make a phone call or send an e-mail.

Two, Pledge \$10.00 or more! - it's a bargain, you'll nail.

Three, We'll all walk proudly in YOUR name,

And promise that life will not be the same.

For when the Walk is over and all is said and done,

A child will forever 'thank you',

Each and every one!!

Inner Wheel Clubs throughout the United States have been successful for over 40 years in providing myo-electric limbs for upper limb-deficient children. Your pledge will fund our continuing efforts in this cause. Please call (your phone #) or e-mail your response to (your email address here). Mail pledges to (your name & address here), Or directly to the Inner Wheel Club of Slidell, PO Box 3176, Slidell, LA 70459. Make checks payable to Inner Wheel Club of Slidell.

Your pledge is greatly appreciated. Thank you for your support!

Inner Wheel USA Foundation is a 501(c)(3) organization- Tax ID #58-1849058

THE INNER WHEEL LIMB BANK

The Inner Wheel Limb Bank provides prosthesis components for myoelectric limbs for children. Of course, as children grow they require a larger limb, so these parts are refurbished and reused by other children when needed.

On February 23, at 9:15 a.m. at St Tammany Trace Slidell Trailhead (off Hwy 190 and Thompson Road), the Inner Wheel Club of Slidell will walk to support this program and provide an avenue for children whose insurance or family circumstances do not allow them to benefit from the latest updated technology.

Turning "Disabilities into Possibilities" is not a Dream, but a reality for the Inner Wheel U.S.A. Foundation.

A \$10.00 donation or more will sponsor an Inner Wheel or Rotary Interact member in this Walk.

Thank you for your contribution.
