RE: Furniture Storage on 646 N. Carnation St.

Dear Mr. James,

It was a pleasure to meet with you to discuss plans for your renovation project. Dammon Engineering is pleased to propose our Architect & Engineering services to design your Tenant Separation in your existing building at 646 N. Carnation St. Slidell, Louisiana.

As per our discussion, our fee for this design will be based on our hourly rate of \$135.00. Should you require a rendering of the facility, our fee for that service will be \$150/hour.

Our fee will include five sets of plans provided to you following 100% design completion, but our fee does not include the cost of State Fire Marshal Review, IBC Review, survey, topo, traffic study, or any other government or municipal agency fees that may be required.

If you have any questions, or require any additional information, please feel free to call.

Sincerely,

David Dammon, VP  
Dammon Engineering, Inc.
