RE: Proposal to furnish Engineering Services for Member Services Cubicle Area
Suite 2560, Three Lakeway Center

Dear Diane,

Thank you for contacting Dammon Engineering to provide drawings for the additional air conditioning required for the referenced project. Dammon Engineering will design the new Air Conditioning for the cubicle area of Member Services on the 22nd floor.

Our fee for engineering and design services for this project is \$5,200.00 (Five Thousand Two Hundred Dollars). This fee includes specifying the mechanical equipment required to perform the air conditioning and all required drawings to complete the project. The plans will be provided to Equity Office Properties' consultant for their review. Should this project require parish permitting, please be aware that our fee does not include the cost of plan review or any other government fees.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

David Dammon,
Vice President
