RE: Gang Boxes

Dear Mr. Lumpkin,

Dammon Engineering, Inc. is pleased to propose our Engineering services for the design of the Gang Boxes that we discussed, consisting of one existing design to be recertified and one new design.

We propose to accomplish the design and recertification on an hourly basis, please see our fee schedule attached.

Dammon Engineering carries \$1,000,000 Professional/General Liability Insurance, and Workmen's Compensation Insurance.

If you accept this proposal please sign below.

Sincerely,

David Dammon, VP
