Mr. Colgin,

See attached markup summary for the fill mitigation/drainage plan as it relates to the Department of Engineering review. Please address all comments and submit to this office a revised fill mitigation/drainage plan to be reviewed & approved. To assist in our review, reply to each comment directly on the Markup Summary attached to this email. Once

we receive the information needed to comply with the attached comments, our review will continue and additional comments may arise.

See attached STP Stormwater Agreement. It is required to be filled out and signed by the owner or contractor.

If you choose to upload documents to MPN yourself (if applicable), please advise me that you have done so via this email.

Please let me know if you have any questions or concerns.

Sincerely,  
Chris

All,

Applicant has submitted the information for bulk head repairs and floating docks plus associated site work at Foggy Water Marina. Please see permit application 2024-1757. I have attached his documents to his permit request and Sabrina has been working with him to complete the Coastal Use application. Please review.

Mike,  
Please make payment on permit. You can pay over the phone with a credit card or stop by the office with check or cash.

Thank you.
