IMPORTANT NOTICE TO POLICYHOLDERS

TERRORISM RISK INSURANCE ACT, AS AMENDED

Under the Terrorism Risk Insurance Act, as amended (the "Act"), we must make coverage for “**certified acts of terrorism**” available in the policies we offer. We notified you at the time of offer and purchase of the policy to which this Notice is attached that this coverage was available and we gave you the right to reject our offer of such terrorism coverage. If you elected to purchase the coverage, the premium charged for such coverage is shown on the Declarations page of the policy. If you elected to reject the coverage we have not charged your policy for terrorism coverage and have attached a terrorism exclusion to your policy.

When coverage is provided by this policy for losses resulting from “**certified acts of terrorism**”, such losses may be partially reimbursed by the United States Government under a formula established by Federal Law. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under this formula, the United States Government generally pays 80% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company. The premium for this coverage does not include any charges for the portion of loss covered by the Federal Government under the act.

You should also know that the Act contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers' liability for losses resulting from certified acts of terrorism when the amount of such losses in any one calendar year exceeds \$100 billion. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

Specific coverage terms for terrorism, including limitations and exclusions, are more fully described in endorsements attached to the policy. Your policy may contain an exclusion for losses that are not eligible for federal reinsurance under the Act.

Definitions:

“**Certified act of terrorism,**” as defined in Section 102(1) of the Act, means an act that is certified by the Secretary of the Treasury – in consultation with the Secretary of Homeland Security, and the Attorney General of the United States – to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

BUILDING AND PERSONAL PROPERTY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering;
- (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to the building or structure;
 - (b) Materials, equipment, supplies and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure.

b. Your Business Personal Property

consists of the following property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater:

- (1) Furniture and fixtures;
- (2) Machinery and equipment;
- (3) "Stock";
- (4) All other personal property owned by you and used in your business;
- (5) Labor, materials or services furnished or arranged by you on personal property of others;
- (6) Your use interest as tenant in improvements and betterments. Improvements and betterments are fixtures, alterations, installations or additions:
 - (a) Made a part of the building or structure you occupy but do not own; and
 - (b) You acquired or made at your expense but cannot legally remove;
- (7) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the building or structure or within 100 feet of the premises described in the Declarations, whichever distance is greater.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you, or if owned by you, only as "stock" while inside of buildings;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground, if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under another coverage form of this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture, process or warehouse;

- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
 - (c) Rowboats or canoes out of water at the described premises; or

- (1) Grain, hay, straw or other crops;
 - (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove debris of property owned by or leased to the landlord of the building where your described premises are located, unless you have a contractual responsibility to insure such property and it is insured under this policy;
 - (c) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;

- (d) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (e) Remove deposits of mud or earth from the grounds of the described premises;
 - (f) Extract "pollutants" from land or water; or
 - (g) Remove, restore or replace polluted land or water.
- (3) Subject to the exceptions in Paragraph (4), the following provisions apply:
- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
 - (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:
- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
 - (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if **(4)(a)** and/or **(4)(b)** applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph **(3)**.

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph **(3)** is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph **(4)**, because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 is 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph **(4)**. Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1)** While it is being moved or while temporarily stored at another location; and
- (2)** Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations, unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1)** Assumed by contract or agreement prior to loss; or
- (2)** Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.

(5) Under this Additional Coverage, we will not pay for:

- (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
- (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

(6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

(7) With respect to this Additional Coverage:

- (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
- (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.
- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in **e.(6)** of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to your "stock" of prepackaged software, or to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.

- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
 - (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
 - (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
 - (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.
 - (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more, or a Value Reporting period symbol, is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

If this policy covers Building, you may extend that insurance to apply to:

- (a) Your new buildings while being built on the described premises; and
- (b) Buildings you acquire at locations, other than the described premises, intended for:
 - (i) Similar use as the building described in the Declarations; or
 - (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

- (a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:
 - (i) Business personal property, including such property that you newly acquire, at any location you acquire other than at fairs, trade shows or exhibitions; or
 - (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

- (b) This Extension does not apply to:
 - (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
 - (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

- (a) This policy expires;
- (b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or
- (c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

The most we will pay for loss or damage under this Extension is \$2,500 at each described premises. Our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.
- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;
- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others, except in the situation in which you are a tenant and such property is owned by the landlord of the described premises.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the building or structure described in the Declarations or within 100 feet of the premises described in the Declarations, whichever distance is greater.

- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

1. Fire Department Service Charge;
2. Pollutant Clean-up And Removal;
3. Increased Cost Of Construction; and
4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
<u>– 250</u>

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:
\$59,850 + \$80,000 = \$139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.

- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
 - (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
 - (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
 - (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
 - (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.
Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
 - (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
 - (8) Cooperate with us in the investigation or settlement of the claim.
- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.
- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.
- g. We will pay for covered loss or damage within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:
 - (1) We have reached agreement with you on the amount of loss; or
 - (2) An appraisal award has been made.

h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- (i)** Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or
- (ii)** Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following, even if they are Covered Causes of Loss:

- (a)** Vandalism;
- (b)** Sprinkler leakage, unless you have protected the system against freezing;
- (c)** Building glass breakage;
- (d)** Water damage;
- (e)** Theft; or
- (f)** Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

7. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

- a.** At actual cash value as of the time of loss or damage, except as provided in **b.**, **c.**, **d.** and **e.** below.
- b.** If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

However, the following property will be valued at the actual cash value, even when attached to the building:

- (1) Awnings or floor coverings;
 - (2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or
 - (3) Outdoor equipment or furniture.
- c. "Stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Glass at the cost of replacement with safety-glazing material if required by law.
- e. Tenants' Improvements and Betterments at:
- (1) Actual cash value of the lost or damaged property if you make repairs promptly.
 - (2) A proportion of your original cost if you do not make repairs promptly. We will determine the proportionate value as follows:
 - (a) Multiply the original cost by the number of days from the loss or damage to the expiration of the lease; and
 - (b) Divide the amount determined in (a) above by the number of days from the installation of improvements to the expiration of the lease.

If your lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure.

- (3) Nothing if others pay for repairs or replacement.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

- a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

- (1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;
- (2) Divide the Limit of Insurance of the property by the figure determined in Step (1);
- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 100,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
(the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When:	The value of the property is:	\$ 250,000
	The Coinsurance percentage for it is:	80%
	The Limit of Insurance for it is:	\$ 200,000
	The Deductible is:	\$ 250
	The amount of loss is:	\$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate, and no penalty applies. We will pay no more than \$39,750 ($\$40,000$ amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When: The value of the property is:

Building at Location 1:	\$ 75,000
Building at Location 2:	\$ 100,000
Personal Property at Location 2:	<u>\$ 75,000</u>
	\$ 250,000
The Coinsurance percentage for it is:	90%
The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is:	\$ 180,000
The Deductible is:	\$ 1,000
The amount of loss is:	
Building at Location 2:	\$ 30,000
Personal Property at Location 2:	<u>\$ 20,000</u>
	\$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the beginning of the policy year (or last policy change) is: 146
 The amount of increase is:
 $\$100,000 \times .08 \times 146 \div 365 =$ \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Valuation Loss Condition of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence;
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or

- (4) "Stock", unless the Including "Stock" option is shown in the Declarations.

Under the terms of this Replacement Cost Optional Coverage, tenants' improvements and betterments are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.

With respect to tenants' improvements and betterments, the following also apply:

- (3) If the conditions in d.(1) and d.(2) above are not met, the value of tenants' improvements and betterments will be determined as a proportion of your original cost, as set forth in the Valuation Loss Condition of this Coverage Form; and
- (4) We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in e.(2) above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or
- (b) The increased costs incurred to comply with an ordinance or law in the course of construction, repair, renovation, remodeling or demolition of property, or removal of its debris, following a physical loss to that property.

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

- (a) Airborne volcanic blast or airborne shock waves;
- (b) Ash, dust or particulate matter; or
- (c) Lava flow.

With respect to coverage for Volcanic Action as set forth in **(5)(a)**, **(5)(b)** and **(5)(c)**, all volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

Volcanic Action does not include the cost to remove ash, dust or particulate matter that does not cause direct physical loss or damage to the described property.

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

d. Nuclear Hazard

Nuclear reaction or radiation, or radioactive contamination, however caused.

But if nuclear reaction or radiation, or radioactive contamination, results in fire, we will pay for the loss or damage caused by that fire.

e. Utility Services

The failure of power, communication, water or other utility service supplied to the described premises, however caused, if the failure:

- (1) Originates away from the described premises; or
- (2) Originates at the described premises, but only if such failure involves equipment used to supply the utility service to the described premises from a source away from the described premises.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

Communication services include but are not limited to service relating to Internet access or access to any electronic, cellular or satellite network.

f. War And Military Action

- (1) War, including undeclared or civil war;

This exclusion applies regardless of whether any of the above, in Paragraphs (1) through (5), is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion does not apply:

- (1) When "fungus", wet or dry rot or bacteria result from fire or lightning; or
- (2) To the extent that coverage is provided in the Additional Coverage, Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria, with respect to loss or damage by a cause of loss other than fire or lightning.

- c.** Smoke, vapor or gas from agricultural smudging or industrial operations.
- d.(1)** Wear and tear;
- (2)** Rust or other corrosion, decay, deterioration, hidden or latent defect or any quality in property that causes it to damage or destroy itself;

- (4)** Settling, cracking, shrinking or expansion;

(5) Nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals.

(6) Mechanical breakdown, including rupture or bursting caused by centrifugal force. But if mechanical breakdown results in elevator collision, we will pay for the loss or damage caused by that elevator collision.

(7) The following causes of loss to personal property:

- (a) Dampness or dryness of atmosphere;
- (b) Changes in or extremes of temperature; or
- (c) Marring or scratching.

But if an excluded cause of loss that is listed in **2.d.(1)** through **(7)** results in a "specified cause of loss" or building glass breakage, we will pay for the loss or damage caused by that "specified cause of loss" or building glass breakage.

- e.** Explosion of steam boilers, steam pipes, steam engines or steam turbines owned or leased by you, or operated under your control. But if explosion of steam boilers, steam pipes, steam engines or steam turbines results in fire or combustion explosion, we will pay for the loss or damage caused by that fire or combustion explosion. We will also pay for loss or damage caused by or resulting from the explosion of gases or fuel within the furnace of any fired vessel or within the flues or passages through which the gases of combustion pass.
- f.** Continuous or repeated seepage or leakage of water, or the presence or condensation of humidity, moisture or vapor, that occurs over a period of 14 days or more.
- g.** Water, other liquids, powder or molten material that leaks or flows from plumbing, heating, air conditioning or other equipment (except fire protective systems) caused by or resulting from freezing, unless:
 - (1)** You do your best to maintain heat in the building or structure; or

(2) You drain the equipment and shut off the supply if the heat is not maintained.

This exclusion:

(1) Applies whether or not an act occurs during your normal hours of operation;

- (b) To collapse caused by one or more of the following:

But if the discharge, dispersal, seepage, migration, release or escape of "pollutants" results in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

This exclusion, **l.**, does not apply to damage to glass caused by chemicals applied to the glass.

- m.** Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

- 3.** We will not pay for loss or damage caused by or resulting from any of the following, **3.a.** through **3.c.** But if an excluded cause of loss that is listed in **3.a.** through **3.c.** results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

But if the suspension, lapse or cancellation is directly caused by the "suspension" of "operations", we will cover such loss that affects your Business Income during the "period of restoration" and any extension of the "period of restoration" in accordance with the terms of the Extended Business Income Additional Coverage and the Extended Period Of Indemnity Optional Coverage or any variation of these.

- (i) Your assumption of liability was executed prior to the accident; and
- (ii) The building is Covered Property under this Coverage Form.

(b) Nuclear Hazard

We will not defend any claim or "suit", or pay any damages, loss, expense or obligation, resulting from nuclear reaction or radiation, or radioactive contamination, however caused.

C. Limitations

The following limitations apply to all policy forms and endorsements, unless otherwise stated:

1. We will not pay for loss of or damage to property, as described and limited in this section. In addition, we will not pay for any loss that is a consequence of loss or damage as described and limited in this section.

c. The interior of any building or structure, or to personal property in the building or structure, caused by or resulting from rain, snow, sleet, ice, sand or dust, whether driven by wind or not, unless:

(2) The loss or damage is caused by or results from thawing of snow, sleet or ice on the building or structure.

d. Building materials and supplies not attached as part of the building or structure, caused by or resulting from theft.

However, this limitation does not apply to:

(1) Building materials and supplies held for sale by you, unless they are insured under the Builders Risk Coverage Form; or

(2) Business Income Coverage or Extra Expense Coverage.

e. Property that is missing, where the only evidence of the loss or damage is a shortage disclosed on taking inventory, or other instances where there is no physical evidence to show what happened to the property.

f. Property that has been transferred to a person or to a place outside the described premises on the basis of unauthorized instructions.

g. Lawns, trees, shrubs or plants which are part of a vegetated roof, caused by or resulting from:

(1) Dampness or dryness of atmosphere or of soil supporting the vegetation;

(2) Changes in or extremes of temperature;

b. Fragile articles such as statuary, marbles, chinaware and porcelains, if broken. This restriction does not apply to:

(1) Glass; or

(2) To Business Income Coverage or to Extra Expense Coverage.

3. The special limit shown for each category, **a.** through **d.**, is the total limit for loss of or damage to all property in that category. The special limit applies to any one occurrence of theft, regardless of the types or number of articles that are lost or damaged in that occurrence. The special limits are (unless a higher limit is shown in the Declarations):
 - a. \$2,500 for furs, fur garments and garments trimmed with fur.
 - b. \$2,500 for jewelry, watches, watch movements, jewels, pearls, precious and semiprecious stones, bullion, gold, silver, platinum and other precious alloys or metals. This limit does not apply to jewelry and watches worth \$100 or less per item.

 - d. \$250 for stamps, tickets, including lottery tickets held for sale, and letters of credit.

These special limits are part of, not in addition to, the Limit of Insurance applicable to the Covered Property.

This limitation, **C.3.**, does not apply to Business Income Coverage or to Extra Expense Coverage.

4. We will not pay the cost to repair any defect to a system or appliance from which water, other liquid, powder or molten material escapes. But we will pay the cost to repair or replace damaged parts of fire-extinguishing equipment if the damage:
 - a. Results in discharge of any substance from an automatic fire protection system; or
 - b. Is directly caused by freezing.

However, this limitation does not apply to Business Income Coverage or to Extra Expense Coverage.

D. Additional Coverage – Collapse

The coverage provided under this Additional Coverage, Collapse, applies only to an abrupt collapse as described and limited in **D.1.** through **D.7.**

1. For the purpose of this Additional Coverage, Collapse, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.

2. We will pay for direct physical loss or damage to Covered Property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Form or that contains Covered Property insured under this Coverage Form, if such collapse is caused by one or more of the following:
 - a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;
 - b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
 - c. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs during the course of the construction, remodeling or renovation.
 - d. Use of defective material or methods in construction, remodeling or renovation if the abrupt collapse occurs after the construction, remodeling or renovation is complete, but only if the collapse is caused in part by:
 - (1) A cause of loss listed in **2.a.** or **2.b.**;
 - (2) One or more of the "specified causes of loss";
 - (3) Breakage of building glass;
 - (4) Weight of people or personal property; or
 - (5) Weight of rain that collects on a roof.
3. This **Additional Coverage – Collapse** does **not** apply to:
 - a. A building or any part of a building that is in danger of falling down or caving in;
 - b. A part of a building that is standing, even if it has separated from another part of the building; or
 - c. A building that is standing or any part of a building that is standing, even if it shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
4. With respect to the following property:
 - a. Outdoor radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers;

- b. Awnings, gutters and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;
 - f. Piers, wharves and docks;
 - g. Beach or diving platforms or appurtenances;
 - h. Retaining walls; and
 - i. Walks, roadways and other paved surfaces;
- if an abrupt collapse is caused by a cause of loss listed in **2.a.** through **2.d.**, we will pay for loss or damage to that property only if:

- (1) Such loss or damage is a direct result of the abrupt collapse of a building insured under this Coverage Form; and
- (2) The property is Covered Property under this Coverage Form.

5. If personal property abruptly falls down or caves in and such collapse is **not** the result of abrupt collapse of a building, we will pay for loss or damage to Covered Property caused by such collapse of personal property only if:
- a. The collapse of personal property was caused by a cause of loss listed in **2.a.** through **2.d.**;
 - b. The personal property which collapses is inside a building; and
 - c. The property which collapses is not of a kind listed in **4.**, regardless of whether that kind of property is considered to be personal property or real property.

The coverage stated in this Paragraph **5.** does not apply to personal property if marring and/or scratching is the only damage to that personal property caused by the collapse.

- 6. This Additional Coverage, Collapse, does not apply to personal property that has not abruptly fallen down or caved in, even if the personal property shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage or expansion.
- 7. This Additional Coverage, Collapse, will not increase the Limits of Insurance provided in this Coverage Part.
- 8. The term Covered Cause of Loss includes the Additional Coverage, Collapse, as described and limited in **D.1.** through **D.7.**

E. Additional Coverage – Limited Coverage For "Fungus", Wet Rot, Dry Rot And Bacteria

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph **F.2.** (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, **6.a.** or **6.b.**, applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.

- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following: fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.

c. Water damage means:

- (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and
- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe that is located off the described premises and is part of a municipal potable water supply system or municipal sanitary sewer system, if the breakage or cracking is caused by wear and tear.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

LIMITATION OF LIABILITY ENDORSEMENT

The following special terms and conditions apply to this policy:

- A.** The Limit of Insurance or amount of insurance shown in the Declarations page of this policy is a limit or amount per occurrence, except for "earthquake" and "flood," if covered, where an annual aggregate applies. We will not pay more than this limit or amount in one disaster, casualty, or event, no matter how many locations are involved.
- B.** The premium for this policy is based on the schedule or statement of values on file with us or attached to this policy. If there is a loss under this policy, we will not pay more than the least of the following:

 - 2.** The Limit of Insurance or amount of insurance per occurrence shown in the Declarations page of this policy or endorsed onto this policy; or

 2. Manuscripts;
 3. Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac; or
 4. "Stock" you have sold but not delivered. Such "stock" will be valued at selling price less discounts and expenses you otherwise would have had. Under the terms of this endorsement, tenants' improvements and betterments are not considered to be the personal property of others.

- C.** We will not pay on a Replacement Cost basis for any loss or damage:

With respect to tenants' improvements and betterments, the following also apply:

 4. We will not pay for loss or damage to tenants' improvements and betterments if others pay for repairs or replacement.
- D.** We will not pay more for loss or damage on a replacement cost basis than the least of:
1. The Limit of Insurance applicable to the lost or damaged property;
 2. The cost to replace, the lost or damaged property with other property:
 - a. Of comparable material and quality; and
 - b. Used for the same purpose; or
 3. The amount you actually spend that is necessary to repair or replace the lost or damaged property.

- E. You may make a claim for loss or damage covered by this policy on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this endorsement provides if you notify us of your intent to do so within 180 days after the loss or damage.
- F. The cost of repair or replacement does not include the increased cost attributable to enforcement of any ordinance or law regulating the construction, use or repair of any property.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BUSINESS INCOME (AND EXTRA EXPENSE) COVERAGE ENDORSEMENT

This endorsement adds coverage for Business Income and Extra Expense if a Limit of Insurance for such coverage is shown in the Declarations.

A. COVERAGE

1. BUSINESS INCOME

Business Income means the:

- a.** Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b.** Continuing normal operating expenses incurred, including payroll.

For manufacturing risks, Net Income includes the net sales value of production.

Coverage is provided as described and limited below for one or more of the following options for which a Limit Of Insurance is shown in the Declarations:

- (1)** Business Income including "rental value".
- (2)** Business Income other than "rental value".
- (3)** "Rental value".

If option **(1)** above is selected, the term Business Income will include "rental value". If option **(3)** above is selected, the term Business Income will mean "rental value" only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Policy apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to Covered Property at a Covered Location which is described in the Declarations or the endorsed Schedule of Locations, and for which a Business Income Limit of Insurance is shown. The loss or damage must be caused by or result from a Covered Peril. With respect to loss of or damage to personal property in the open or personal property in a vehicle, the Covered Property include the area within 100 feet of such Covered Location.

With respect to the requirements set forth in the preceding paragraph, if you occupy only part of a building, your Covered Location means:

- (a)** The portion of the building which you rent, lease or occupy;
- (b)** The area within 100 feet of the building or within 100 feet of the Covered Location described in the Declarations, whichever distance is greater (with respect to loss of or damage to personal property in the open or personal property in a vehicle); and
- (c)** Any area within the building or at the Covered Property, if that area services, or is used to gain access to, the portion of the building which you rent, lease, or occupy.

2. EXTRA EXPENSE

- a. Extra Expense Coverage is provided at the Covered Location described in the Declarations only if the Declarations show that Business Income Coverage applies at that location.
- b. Extra Expense means necessary expenses you incur during the "period of restoration" that you would not have incurred if there had been no direct physical loss or damage to property caused by or resulting from a Covered Peril.

We will pay Extra Expense (other than the expense to repair or replace property) to:

- (1) Avoid or minimize the "suspension" of business and to continue operations at the Covered Property or at replacement location or temporary locations, including relocation expenses and costs to equip and operate the replacement location or temporary location.
- (2) Minimize the "suspension" of business if you cannot continue "operations".

We will also pay Extra Expense to repair or replace property, but only to the extent it reduces the amount of loss that otherwise would have been payable under this Coverage Form.

B. ADDITIONAL COVERAGE

1. Extended Business Income

a. Business Income Other Than "Rental Value"

If the necessary "suspension" of your "operations" produces a Business Income loss payable under this Policy, we will pay for the actual loss of Business Income you incur during the period that:

- (1) Begins on the date property (except finished "stock") is actually repaired, rebuilt, or replaced and "operations" are resumed; and
- (2) Ends on the earlier of:
 - (a) The date you could restore your "operations", with reasonable speed, to the level which would generate the Business Income amount that would have existed if no direct physical loss or damage had occurred; or
 - (b) 30 consecutive days after the date determined in a.(1) above.

However, Extended Business Income does not apply to loss of Business Income incurred as a result of unfavorable business conditions caused by a Covered Peril in the area where the Covered Location is located.

Loss of Business Income must be caused by direct physical loss or damage at the Covered Location caused by or resulting from a Covered Peril.

b. "Rental Value"

If the necessary "suspension" of your "operations" produces a "rental value" loss payable under this Policy, we will pay for the actual loss of "rental value" you incur during the period that:

- (1) Begins on the date property is actually repaired, rebuilt, or replaced and tenantability is restored; and
- (2) Ends on the earlier of:

(a) The date you could restore tenant occupancy, with reasonable speed, to the level which would generate the "rental value" that would have existed if no direct physical loss or damage had occurred; or

(b) 30 consecutive days after the date determined in **b.(1)** above.

However, Extended Business Income does not apply to loss of "rental value" incurred as a result of unfavorable business conditions caused by a Covered Peril in the area where the Covered Location is located.

Loss of "rental value" must be caused by direct physical loss or damage at the Covered Location caused by or resulting from a Covered Peril.

C. LOSS DETERMINATION

1. The amount of Business Income loss will be determined based on:

- a. The Net Income of the business before the direct physical loss or damage occurred;
- b. The likely Net Income of the business if no physical loss or damage had occurred, but not including any Net Income that would likely have been earned as a result of an increase in the volume of business due to favorable business conditions caused by the impact of a Covered Peril on customers or on other businesses;
- c. The operating expenses, including payroll expenses, necessary to resume "operations" with the same quality of service that existed just before the direct physical loss or damage; and
- d. Other relevant sources of information, including:
 - (1) Your financial records and accounting procedures;
 - (2) Bills, invoices and other vouchers; and
 - (3) Deeds, liens, or contracts.

2. The amount of Extra Expense will be determined based on:

- a. All expenses that exceed the normal operating expenses that would have been incurred by "operations" during the "period of restoration" if no direct physical loss or damage had occurred. We will deduct from the total of such expenses:
 - (1) The salvage value that remains of any property bought for temporary use during the "period of restoration", once "operations" are resumed; and
 - (2) Any Extra Expense that is paid for by other insurance, except for insurance that is written subject to the same plan, terms, conditions and provisions as this insurance; and
- b. Necessary expenses that reduce the Business Income loss that otherwise would have been incurred.

3. Resumption Of Operations

We will reduce the amount of your:

- a. Business Income loss, other than Extra Expense, to the extent you can resume your "operations", in whole or in part, by using damaged or undamaged property (including merchandise or "stock") at the Covered Property or elsewhere.

- b. Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
4. If you do not resume "operations", or do not resume "operations" as quickly as possible, we will pay based on the length of time it would have taken to resume "operations" as quickly as possible.

D. COINSURANCE

The following condition applies if a Coinsurance percentage is shown in the Declarations. This condition does not apply to Extra Expense Coverage.

We will not pay the full amount of any Business Income loss if the Limit of Insurance for Business Income is less than:

1. The Coinsurance percentage shown for Business Income in the Declarations; times
2. The sum of:
 - a. The Net Income (Net Profit or Loss before income taxes), and
 - b. Operating expenses, including payroll expenses,

That would have been earned or incurred (had no loss occurred) by your "operations" at the Covered Property for the 12 months following the inception, or last previous anniversary date, of this Policy (whichever is later).

Instead, we will determine the most we will pay using the following steps:

Step (1): Multiply the Net Income and operating expense for the 12 months following the inception, or last previous anniversary date, of this Policy by the Coinsurance percentage;

Step (2): Divide the Limit of Insurance for the Covered Property by the figure determined in **Step (1)**; and

Step (3): Multiply the total amount of loss by the figure determined in **Step (2)**.

We will pay the amount determined in **Step (3)** or the limit of insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

In determining operating expenses for the purpose of applying the Coinsurance condition, the following expenses, if applicable, shall be deducted from the total of all operating expenses:

- (1) Prepaid freight – outgoing;
- (2) Returns and allowances;
- (3) Discounts;
- (4) Bad debts;
- (5) Collection expenses;
- (6) Cost of raw "stock" and factory supplies consumed (including transportation charges);
- (7) Cost of merchandise sold (including transportation charges);
- (8) Cost of other supplies consumed (including transportation charges);
- (9) Cost of services purchased from outsiders (not employees) to resell, that do not continue under contract;
- (10) Special deductions for mining properties (royalties unless specifically included in coverage; actual depletion commonly known as unit or cost depletion – not percentage depletion; welfare and retirement fund charges based on tonnage; hired trucks).

Example 1 (Underinsurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this Policy at the Covered Property would have been: \$ 400,000
 The Coinsurance percentage is: 50%
 The Limit of Insurance is: \$ 150,000
 The amount of loss is: \$ 80,000

Step (1): \$ 400,000 x 50% = \$200,000
 (the minimum amount of insurance to meet your Coinsurance requirements)
Step (2): \$ 150,000 / \$200,000 = .75
Step (3): \$ 80,000 x .75 = \$60,000
 We will pay no more than \$60,000. The remaining \$20,000 is not covered.

Example 2 (Adequate Insurance)

When: The Net Income and operating expenses for the 12 months following the inception, or last previous anniversary date, of this Policy at the Covered Property would have been: \$ 400,000
 The Coinsurance percentage is: 50%
 The Limit of Insurance is: \$ 200,000
 The amount of loss is: \$ 80,000
 The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 (\$400,000 x 50%). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$80,000 (amount of loss).

E. Monthly Limit Of Indemnity

1. If a Monthly Limit of Indemnity is specified in the Declarations, the following applies for the loss of Business Income.
2. The most we will pay for loss of Business Income in each period of 30 consecutive days after the beginning of the "period of restoration" is:
 - a. The Limit of Insurance, multiplied by
 - b. The Monthly Limit of Indemnity fraction shown in the Declarations.

EXAMPLE

When: The Limit of Insurance is: \$ 120,000
 The Monthly Limit of Indemnity fraction shown in the Declarations is: 1/4
 The most we will pay for loss in each period of 30 consecutive days is: \$ 30,000 (\$120,000 X 1/4 = \$30,000)
 If, in this example, the actual amount of loss is:

Days 1-30:	\$ 40,000
Days 31-60:	\$ 20,000
Days 61-90:	<u>\$ 30,000</u>
	\$ 90,000

We will pay: Days 1-30:	\$ 30,000
Days 31-60:	\$ 20,000
Days 61-90:	<u>\$ 30,000</u>
	\$ 80,000

The remaining \$10,000 is not covered.

3. Coinsurance does not apply to this Policy at the Covered Location to which the Monthly Limit of Indemnity applies.

F. DEFINITIONS

1. "Operations" means your business activities occurring at the Covered Property. "Operations" also means the tenantability of the Covered Property, if coverage for Business Income including "rental value" or "rental value" applies.

 - b. Ends on the earlier of:
 - (1) The date when the property at the Covered Property should be repaired, rebuilt or replaced with reasonable speed and similar quality; or
 - (2) The date when business is resumed at a new permanent location.

"Period of restoration" does not include any increased period required due to the enforcement of or compliance with any ordinance or law that:

 - (1) Regulates the construction, use or repair, or requires the tearing down, of any property; or
 - (2) Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this Policy will not cut short the "period of restoration".
3. "Rental value" means Business Income that consists of:
 - a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred as rental income from tenant occupancy of the Covered Location described in the Declarations as furnished and equipped by you, including fair rental value of any portion of the Covered Property which is occupied by you; and
 - b. Continuing normal operating expenses incurred in connection with that Covered Location, including:
 - (1) Payroll; and
 - (2) The amount of charges which are the legal obligation of the tenant(s) but would otherwise be your obligations.
4. "Suspension" means:
 - a. The slowdown or cessation of your business activities; or
 - b. That a part or all of the Covered Property is rendered untenable, if coverage for Business Income Including "Rental Value" or "Rental Value" applies.

It is agreed that the definition of "Actual Cash Value" wherever used in this policy is as follows:

"Actual Cash Value" (sometimes referred to in this policy as ACV) means the value of the lost or damaged property or part of the property at the time of loss, calculated as the estimated cost to repair or replace such property, less a deduction to account for pre-loss depreciation.  - (2)** The building or structure first sustains damage by a Covered Cause of Loss to its roof or walls through which the rain, snow, sleet, ice, sand or dust enters. However, we will not pay for any loss or damage, caused in whole or in part, directly or indirectly by, resulting from, contributed to or made worse by, or in connection with, any of the following causes of loss, regardless of any other cause or event that contributes concurrently or in any sequence to the loss: wet or dry rot; wear and tear; rust; corrosion; decay; deterioration; hidden or latent defect; settling; cracking; shrinking or expansion; or faulty, inadequate or defective planning, design, specifications, workmanship, repair, construction, materials, or maintenance.

ALL OTHER TERMS AND CONDITIONS OF THIS POLICY REMAIN UNCHANGED.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Policy is void and there is no coverage for any claim in any case of fraud by you as it relates to this Coverage at any time. It is also void if you or any other insured, at any time, conceals or misrepresents a material fact concerning this Policy, the Covered Property, or your interest in the Covered Property.

There is no coverage for any claim under this Policy if, at any time and regardless of intent, you do not promptly, and prior to a loss, provide us notice in writing of a material change in any risk insured under this Policy which is relevant to the loss.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Policy at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. That person or organization must do everything necessary to secure our rights and must do nothing after loss to impair them. But you may waive your rights against another party in writing:

- 1. Prior to a loss to your Covered Property or Covered Income.
- 2. After a loss to your Covered Property or Covered Income only if, at time of loss, that party is one of the following:

B. For the purpose of this endorsement only, the following definitions apply:

"Actual Total Loss" means a loss that occurs when the Covered Property is totally destroyed or damaged in such a way that it can be neither recovered nor repaired for further use.

WINDSTORM EXCLUSION – DESIGNATED LOCATION(S)

This endorsement modifies insurance provided under the following:

- CAUSES OF LOSS – BASIC FORM
- CAUSES OF LOSS – BROAD FORM
- CAUSES OF LOSS – SPECIAL FORM
- STANDARD PROPERTY POLICY

SCHEDULE

Premises Number	Building Number
1	1

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

With respect to the location(s) indicated in the Schedule, the following provisions apply.

A. The following is added to the **Exclusions** section and is therefore not a Covered Cause of Loss:

WINDSTORM OR HAIL

We will not pay for loss or damage:

1. Caused directly or indirectly by Windstorm or Hail, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage; or
2. Caused by rain, snow, sand or dust, whether driven by wind or not, if that loss or damage would not have occurred but for the Windstorm or Hail.

But if Windstorm or Hail results in a cause of loss other than rain, snow, sand or dust, and that resulting cause of loss is a Covered Cause of Loss, we will pay for the loss or damage caused by such Covered Cause of Loss. For example, if the Windstorm or Hail damages a heating system and fire results, the loss or damage attributable to the fire is covered subject to any other applicable policy provisions.

- B.** The terms of the Windstorm Or Hail exclusion, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this policy.
- C.** Under **Additional Coverage – Collapse**, in the Causes Of Loss – Broad Form, Windstorm or Hail is deleted from Paragraph **2.a**.
- D.** In the Causes Of Loss – Special Form, Windstorm or Hail is deleted from the "specified causes of loss".
- E.** Under **Additional Coverage Extensions – Property In Transit**, in the Causes Of Loss – Special Form, Windstorm or Hail is deleted from Paragraph **b.(1)**.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

APPRAISAL

This endorsement replaces the Appraisal Condition in the coverage form.

Appraisal

If we and you disagree on the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree on an umpire, either may request that selection be made by a judge of a federal court having jurisdiction. The appraisers will state separately the amount of loss, including an itemized determination of (1) the actual cash value for each damaged item included in the claim, and (2) the replacement cost value, if applicable under the policy, for each damaged item included in the claim. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding, and the decision must be itemized as specified in (1) and (2) above. Each party will:

- a.** Pay its chosen appraiser; and
- b.** Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

Under no circumstance is appraisal allowed under this policy to determine causation or the existence or non-existence of coverage. Appraisal is also not allowed where coverage for the claimed loss has been denied in its entirety. You cannot invoke appraisal after suit has been filed.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART

This endorsement supersedes any existing terms, conditions, limitations, exclusions, coverages, additional coverages and definitions regarding "pollutants" within any property coverage forms or related endorsements within this policy.

We will not pay for loss, damage, cost or expense caused, in whole or in part, directly or indirectly by, resulting from, contributing to or made worse by, or arising out of or in connection with, the following:

- A.** The actual, alleged or threatened exposure to, or discharge, dispersal, release, or escape of, "pollutants";
- B.** Testing for, monitoring, cleaning up, treating, removing, extracting, detoxifying or neutralizing "pollutants" or in any way responding to or assessing the existence, concentration or effects of "pollutants";
- C.** The enforcement of, or compliance with, any ordinance, law, or governmental direction resulting from or arising out of the actual, alleged or threatened exposure to, or discharge, dispersal, release, or escape of, "pollutants".

Such loss, damage, cost or expense is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. This exclusion applies regardless of the size or scope of the exposure to, or discharge, dispersal, release, or escape of, "pollutants".

"Pollutants" means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed. "Pollutants" includes any naturally occurring or manmade substances which can cause or threaten damage to human health or human welfare, or causes or threatens damage to, or deterioration, loss of value, marketability or loss of use of, any property. Such substances include, but are not limited to bacteria, virus, nanoparticles, electromagnetic radiation, or other hazardous substances. Hazardous substances include, but are not limited to, those listed in the Federal Pollution Control Act, Clean Air Act, Resource Conservation and Recovery Act of 1976, Toxic Substances Control Act or as designated by the U.S. Environmental Protection Agency.

COMMERCIAL PROPERTY COVERAGE PART

- A.** We will not pay for loss, damage, cost or expense of any nature, directly or indirectly caused by, contributed to by, resulting from, arising out of, or in connection with a Communicable Disease or the fear or threat (whether actual or perceived) of a Communicable Disease regardless of any other cause or event that contributes concurrently or in any sequence thereto. This exclusion applies whether or not the loss event results in a pandemic or affects a substantial area.
- B.** As used herein, a Communicable Disease means any disease which can be transmitted by means of any substance or agent from any organism to another organism where:

- D.** With respect to any loss or damage subject to this exclusion, the application of such exclusion supersedes the application of any exclusion relating to "pollutants".

EXCLUSION OF COSMETIC DAMAGE TO METAL ROOFS

The following applies with respect to loss or damage by wind and/or hail to any building and/or structure covered under this policy unless otherwise indicated below:

We will not pay for cosmetic damage to metal roof materials caused by wind and/or hail.

For the purposes of this endorsement:

1. Cosmetic damage means that the wind and/or hail caused marring, pitting or other superficial damage that altered the appearance of the metal roof materials, but such damage does not prevent the roof from continuing to function as a barrier to entrance of the elements to the same extent as it did before the cosmetic damage occurred.
2. Metal roof materials refers to all metal roof surfacing covering the roof and includes all materials used in securing the roof surface and all materials applied to or under the roof surface for moisture protection or insulation. This includes, but is not limited to, vents, vent caps, cladding, piping, turbines, and all flashings required in the replacement of any metal roof materials.

ROOF SURFACES VALUATION ENDORSEMENT

ROOF SURFACING MINIMUM DEPRECIATION SCHEDULE

<u>TYPE OF ROOF SURFACE</u>	<u>MINIMUM DEPRECIATION PERCENTAGE</u>
Composition Shingles	3.33% per year
Slate	1.33% per year
Tile	2.00% per year
Wood	2.00% per year
Metal	1.33% per year
All Other Roof Surface Material	3.33% per year

This endorsement applies with respect to loss or damage by Named Storm, windstorm, or hail to a building or structure, but only with respect to the calculation of depreciation for "roof surfacing" when the "roof surfacing" is 10 years or older at the time of loss or damage. If you prove that the "roof surfacing" at the damaged building or structure is less than 10 years old at the time of the loss or damage by providing documentation, including but not limited to contracts, invoices, receipts, or permits, this endorsement does not apply.

- A.** Replacement Cost coverage (if otherwise applicable to the property) does not apply to the "roof surfacing" and the loss will be measured at Actual Cash Value.
- B.** For the purpose of this endorsement, "roof surfacing" means the primary outermost roof covering material such as shingles, slate, tile, wood, cladding, gravel, stone, synthetic sheeting, or metal. "Roof surfacing" does not include structural supports or structural decking consisting of metal, concrete, particle board/OSB, or wood.
- C.** For the purpose of this endorsement, roof maintenance, roof repair, or the application of a roof coating over existing "roof surfacing" does not constitute new "roof surfacing" or roof replacement.
- D.** We will pay only for the portions of "roof surfacing" that sustain direct physical loss or damage by a covered cause of loss.
- E.** Depreciation:
 - i. The applicable minimum depreciation percentage for "roof surfacing" is based on the type of "roof surfacing" material and is reflected in the table, above.
 - ii. All other components used in "roof surfacing", including, but not limited to, moisture protection, insulation, roof vents, vent caps, flashings, drip edge, fasteners, and sheathing, as well as the labor, fees, overhead, and profit associated with repair or replacement of "roof surfacing" will be depreciated at the same rate as the "roof surfacing".

EXAMPLES

1. If the roof surface at the time of loss or damage is 14 years old and the roof surface is metal, a minimum depreciation percentage of 18.62% (14 years x 1.33%) will be applied.
2. If the roof surface at the time of loss or damage is 6 years old, then this endorsement is not applicable.

<u>Code</u>	<u>Description</u>

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
- (3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- (a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- (b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph (1), (2) or (3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:
 - (a) Employment by the insured; or
 - (b) Performing duties related to the conduct of the insured's business; or
- (2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":
 - (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:
 - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;
 - (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
 - (b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
 - (c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:
 - (i) Any insured; or
 - (ii) Any person or organization for whom you may be legally responsible; or
- (d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:
 - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;
 - (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
 - (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".
- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

- (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
- (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

- (1) A watercraft while ashore on premises you own or rent;
- (2) A watercraft you do not own that is:
 - (a) Less than 26 feet long; and
 - (b) Not being used to carry persons or property for a charge;
- (3) Parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;
- (4) Liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft; or

(5) "Bodily injury" or "property damage" arising out of:

- (a) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged; or
- (b) The operation of any of the machinery or equipment listed in Paragraph **f.(2)** or **f.(3)** of the definition of "mobile equipment".

h. Mobile Equipment

"Bodily injury" or "property damage" arising out of:

- (1) The transportation of "mobile equipment" by an "auto" owned or operated by or rented or loaned to any insured; or
- (2) The use of "mobile equipment" in, or while in practice for, or while being prepared for, any prearranged racing, speed, demolition, or stunting activity.

j. Damage To Property

- (2) Premises you sell, give away or abandon, if the "property damage" arises out of any part of those premises;
- (3) Property loaned to you;

- (4) Personal property in the care, custody or control of the insured;
- (5) That particular part of real property on which you or any contractors or subcontractors working directly or indirectly on your behalf are performing operations, if the "property damage" arises out of those operations; or
- (6) That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

Paragraphs (1), (3) and (4) of this exclusion do not apply to "property damage" (other than damage by fire) to premises, including the contents of such premises, rented to you for a period of seven or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in Section III – Limits Of Insurance.

Paragraph (2) of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs (3), (4), (5) and (6) of this exclusion do not apply to liability assumed under a sidetrack agreement.

Paragraph (6) of this exclusion does not apply to "property damage" included in the "products-completed operations hazard".

k. Damage To Your Product

"Property damage" to "your product" arising out of it or any part of it.

l. Damage To Your Work

"Property damage" to "your work" arising out of it or any part of it and included in the "products-completed operations hazard".

This exclusion does not apply if the damaged work or the work out of which the damage arises was performed on your behalf by a subcontractor.

m. Damage To Impaired Property Or Property Not Physically Injured

"Property damage" to "impaired property" or property that has not been physically injured, arising out of:

- (1) A defect, deficiency, inadequacy or dangerous condition in "your product" or "your work"; or
- (2) A delay or failure by you or anyone acting on your behalf to perform a contract or agreement in accordance with its terms.

This exclusion does not apply to the loss of use of other property arising out of sudden and accidental physical injury to "your product" or "your work" after it has been put to its intended use.

n. Recall Of Products, Work Or Impaired Property

Damages claimed for any loss, cost or expense incurred by you or others for the loss of use, withdrawal, recall, inspection, repair, replacement, adjustment, removal or disposal of:

- (1) "Your product";

- g.** All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

- 2.** If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:

Notwithstanding the provisions of Paragraph **2.b.(2)** of Section **I – Coverage A – Bodily Injury And Property Damage Liability**, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph **f.** above, are no longer met.

 3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;
 - b. Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - c. Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
- No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage **C**;
 - b. Damages under Coverage **A**, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and
 - c. Damages under Coverage **B**.

3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage **A** for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".
4. Subject to Paragraph **2.** above, the Personal And Advertising Injury Limit is the most we will pay under Coverage **B** for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.
5. Subject to Paragraph **2.** or **3.** above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage **A**; and
 - b. Medical expenses under Coverage **C**
 because of all "bodily injury" and "property damage" arising out of any one "occurrence".
6. Subject to Paragraph **5.** above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage **A** for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.
7. Subject to Paragraph **5.** above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - (1) How, when and where the "occurrence" or offense took place;
 - (2) The names and addresses of any injured persons and witnesses; and

- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:
 - (1) Immediately record the specifics of the claim or "suit" and the date received; and
 - (2) Notify us as soon as practicable.
 You must see to it that we receive written notice of the claim or "suit" as soon as practicable.
 - c. You and any other involved insured must:
 - (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
 - (2) Authorize us to obtain records and other information;
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
 - d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - (ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - (iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or
 - (iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion **g.** of Section **I** – Coverage **A** – Bodily Injury And Property Damage Liability.
- (b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

PREMIUM COMPUTATION ENDORSEMENT

Refer to Commercial GENERAL LIABILITY COVERAGE FORM

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS 5. Premium Audit b. is deleted and replaced with the following:

b. The Total Advance Premium shown in the Declarations of this policy is an estimated premium. At the close of each audit period, we may conduct an audit of your books and records to determine the actual premium due.

You must maintain your books and records necessary for premium computation and, within a reasonable time period after requested (not to exceed 90 days), must present them for inspection as we direct. We may, at our discretion, charge you for any additional fees we incur due to your failure to timely comply with any audit request.

If the first Named Insured fails to present the records as timely and reasonably requested or does not cooperate with an audit, the audit will be deemed unproductive and an Audit Premium will be determined, at our sole option, based on either: 1) information available to us without your cooperation, or 2) an assumption that the Premium Basis will be increased by fifty (50%) percent above that listed in the Declarations or subsequent premium endorsements. However, in no case will the calculated premium be less than the Minimum Audit Premium shown in the Declarations or as adjusted by any premium endorsements issued.

Audit Premiums in excess of the Minimum Audit Premium, whether calculated with your cooperation or not, are due and payable upon notice to the first Named Insured shown in the Declarations.

If the Audit Premium is greater than the Minimum Audit Premium then an additional premium will be charged. If the Audit Premium is less than the Minimum Audit Premium shown in the Declarations or subsequent premium endorsements, no premium will be returned.

Failure to maintain and timely supply your books and records, failure to cooperate with an audit request during or at the conclusion of a policy term, or failure to pay any additional Audit Premium when due will be deemed a breach of contract and may, at our sole discretion, result in a cancellation of this policy as well as any other policy of yours in force for breach of such policy conditions. Unless prohibited by applicable law, we may offset any return premium owed to you with any other amount you owe to us from this policy or any other policy.

In the event of mid-term cancellation, the applicable pro rata or short rate of the Minimum Audit Premium shown in the Declarations or as adjusted by premium endorsement will apply or the Audit Premium, whichever is greater.

Definitions of the most commonly used Premium Basis are as follows:

Admissions is defined as the total number of persons, other than employees of the named insured, admitted to an event or events conducted on the premises whether on paid admission, tickets, complimentary tickets, or passes.

Area means the total number of square feet of floor space at the insured premises.

Each This basis of premium involves units of exposure, and the quantity comprising each unit of exposure is indicated in the premium classification footnotes, such as "each person".

Gross Sales or Receipts is defined as the gross amount charged by the named insured, concessionaires of the named insured, or by others trading under the insured's name for:

- a) All goods or products sold or distributed;

Payroll or Remuneration is defined as the sum of salaries, wages, tips, piece of work, commission, bonuses, board and meals for work performed and excluding excess in accordance with the state payroll limitation rules.

Overtime is defined as hours worked at increased rates of pay in excess of hours normally worked in a given day or week. If there is a guaranteed wage plan which assures employees a given wage for working a specific number of hours per week, then the overtime means only the hours worked in excess of that specific amount. If there are records available showing the wages paid for overtime separately, which exceed the amount that would have been paid for the same work during normal hours, then all such excess wages are excluded. If these records show only the total of wages paid, including overtime on a time and one-half basis, then one-third of those wages should be excluded. If double time is paid for overtime and the total pay for such overtime is recorded separately, one-half of the total pay for double time shall be excluded.

Excluded from payroll is remuneration paid to clerical office employees, including those whose duties are strictly limited to keeping the insured's books or records, conducting correspondence, or engaged in clerical work in these areas. Anyone who does not work in the area separated physically by walled floors, or partitions from all other work areas of the insured is not considered. An exception to this is if the payroll or clerical office employees are specifically included in a classification wording or footnote of the ISO general liability classification.

Rental Receipts is defined as the gross amount charged by the named insured, concessionaires of the named insured, or by others trading under the insured's name for rental of equipment.

Total Cost or Cost is defined as the total cost of all work, let or sublet in connection with each specific project including

- a) Cost of all labor, materials and equipment furnished, used or delivered for use in the execution of the work; and
- b) All fees, bonuses or commissions made, paid or due.

Units is defined as the number of persons or items described.
