DAMMON ENGINEERING INC
Attn: A/R Department
554 OLD SPANISH TRAIL
SLIDELL, LA 70458

Dear Sir or Madam,

Textron Systems - Marine & Land Systems is requesting your assistance in providing us with the information necessary to continue processing payments to your business. The Internal Revenue Service requires us to receive and retain a Form W-9 for all new vendors to certify business name, address, and employer identification number. Although you are an existing vendor, a review of our records indicates that we do not have a Form W-9 on file for your business.

Form W-9 is available online at the following address: <http://www.irs.gov/pub/irs-pdf/fw9.pdf>

To ensure we have the proper documentation on file, please return a completed and signed Form W-9 by **OCTOBER 31, 2017 to ensure continued timely payment of invoices.**

Please return to us using one of the following methods:

- E-mail a scanned copy of the signed form to: rpeters@textronsystems.com
(Please indicate Form W-9 in the subject line)
- Fax a signed copy to: 985-661-3602
(please indicate subject: Form W-9 and attention: Robyne Peters)
- Mail signed completed form to:
Textron Systems - Marine & Land Systems
Attention: Robyne Peters, Payroll Dept. (Form W-9)
1010 Gause Boulevard
Slidell, Louisiana 70458

If you have any questions, please contact Robyne Peters at 985-661-3824.

Sincerely,

Andrea Cossé
Senior Manager - Controller
