Dear Valued Chamber Member:

I want to thank you for being a member of the East St. Tammany Chamber of Commerce and for being an important part of the business community here. Enclosed is your annual dues renewal invoice for 2019. We issue invoices now because many Chamber members prefer to make their dues payment before the end of the calendar year. Please exercise that option if it is advantageous to you, but in any case your payment is due no later than **January 31, 2019**.

Since joining the Chamber staff 5 ½ months ago, I have come to realize that our strength as an organization depends on the participation of you as members. Your Chamber is indeed strong. I'm happy to say that during that period we have added 51 new members to the Chamber. Some of those are new businesses in our community, some are established businesses just now joining us, and some are returning members that had drifted away from the Chamber over the years. Your guidance and communication enable us to refine our program offerings so that they stay relevant to your needs, and we look forward to more and better Chamber activities next year.

Please take advantage of the 300+ annual opportunities for networking and business-to-business interactions that we offer for your growth, please let us know what we could be doing differently or better to support you, and thank you once again for being a member of the East St. Tammany Chamber of Commerce.

Sincerely yours,

Donald A. Shea  
Chief Executive Officer
