

Today's the day to become a
SUPERHUMAN
resource

It's a bird, it's a plane ... it's a Monster
—a fine-tuned recruiting dynamo with a
nose for great talent and the ability to
find the ideal candidate every time.

Introducing Monster Hiring Solutions, the dynamic product combination that will revolutionize the way you recruit. Become the SuperHuman Resource you always dreamed you could be—faster than a speeding bullet, more powerful than a locomotive, more precise and purposeful than ever before. The result? You'll find the ideal candidate every time—quickly and easily—thanks to **SmartFindSM Resume Search** and **TargetReachSM Job Postings**. With SmartFind, you can precisely identify the most qualified candidates from the world's largest resume database. TargetReach lets you write dynamic ads with unmatched ease to attract the best candidates (and then filter and manage applicant responses with amazing precision). Together, you have a suite of solutions that would do any HR hero proud. To learn more, call 1-800-MONSTER or visit us at www.monster.com.

Today's the day...let Monster Hiring Solutions

turn you into a SuperHuman resource – giving you the resources and insight you need to locate, attract and hire the perfect candidate. SmartFind helps you pinpoint the best candidates quickly and easily—even for your most hard-to-fill positions. TargetReach will attract the best candidates, and provide a constant pipeline of talent for your company's core positions. They're two must-have tools to help you locate and hire must-have people. It's time to get SuperHuman!

SmartFindSM Resume Search

BREADTH

SmartFind delivers the world's largest talent pool straight to your desktop.

- With over 37,000 resumes posted daily by active job seekers, Monster's resume database continues to grow three times faster than any other recruitment site. Your perfect match is out there—now you can find them.

PRECISION

With SmartFind, you'll find the most qualified applicants in an instant—using our simple, intuitive user interface and robust search engine.

- Zero in on qualified candidates with just one search; delve as deep as you want into qualified resumes.

EASE

Review the best matches, first—every time.

- Say goodbye to time-wasting mismatches by filtering responses with fine-tuned accuracy and speed.

EFFICIENCY

Make SmartFind your own personal recruiting assistant—so you can spend your time focusing on the big picture.

- Track the resume review process, save search criteria that have proven effective and have matching resumes e-mailed directly to you.

TargetReachSM Job Postings

REACH

TargetReach gives you direct access to the largest, most diverse pool of active job seekers.

- As the most widely used job search site and the leader in over 85 markets, Monster connects you with top-quality job seekers in healthcare, sales, banking and automotive ... to name a few.

EASE

TargetReach's advanced tools help you create dynamic ads.

- With 24/7 access, unlimited space to create dynamic, targeted ads and tools that help you instantly develop powerful job postings, it's never been easier to attract high-caliber talent.

CONTROL

TargetReach enables you to manage the recruitment process and make smart, effective decisions—quickly.

- Effectively filter, screen and rank candidates with unmatched ease, then track them throughout the recruitment process. You can develop letters to automatically respond to each and every applicant.

EFFICIENCY

TargetReach expedites the hiring process and dramatically increases your ROI.

- Having top-notch talent in the pipeline is key to reducing time to hire. With TargetReach you are only a click away from top-quality candidates—ensuring that you don't miss out on the perfect candidate.

Don't wait! Call us at 1-800-MONSTER or visit us at www.monster.com.
