Attn: John Bindewald

Ref: Chalmette Oil Refinery
Utility Pipe Rack Column Supports

Dear Mr. Bindewald

It was a pleasure to discuss with you the column support renovations at the above location. Dammon Engineering, Inc. is pleased to propose our design services for a design to include renovations of the column supports as identified at the site visit.

We propose a total fee of \$8,500.00 (Eight Thousand Five Hundred Dollars) including five sets of plans provided to you following design completion, along with pdf's of all drawings.

This fee does not include cost of Fire Suppression, Fire Alarm, Sprinkler Systems or other government agency fees. This fee also does not include the cost of the landscaping plan, survey/topo, drainage plan of the site, traffic study, or other engineering studies, which may be required. This fee also does not include any Construction Management.

We require a deposit of \$4,000.00 and will bill 100% design for the balance when Design Complete.

Unless this offer is previously accepted, it will be withdrawn automatically at 5:00 p.m., 30 days from the date of issue.

We look forward to working with you on this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

Sincerely,

Chuck Dammon

Chuck Dammon, Vice President
