9)					
10)					

6. Please provide any additional information, description of resources or supporting qualifications for the services category indicated in Section 1:

1) General:

Dammon Engineering has all disciplines of Architecture and Engineering "in house," including Project Management. Our Project Manager teams with the Professional of Record to provide Project and/or Construction Management on the majority of our projects.

2) Professional Training and Experience:

Dammon Engineering's staff participates in continuing education to stay on top of our crafts. Whether Architect, Engineer or Designer, each has a responsibility to acquire knowledge and incorporate changing elements of their discipline to maximize the quality of each design.

3) Size of Firm:

Dammon Engineering has a professional staff of seven, including both professional and support staff.

4) Capacity for Timely Completion of the Project:

Dammon Engineering is a full service architect and engineering firm with all disciplines "in house." As such, we are able to facilitate design in an efficient and effective manner to achieve timely completion of any project.

5) Past Performance on Public Sector Projects:

Dammon Engineering has successfully completed projects for the State of Louisiana, City of Slidell, St. Tammany Parish School Board and St. Tammany Parish. Our past projects in the public sector have proven both successful and rewarding.

6) Location of Principle Office:

554 Old Spanish Trail
Slidell, La. 70458

7) The Individual or Firm is or has been in an Adversarial Legal Proceeding and/or Dispute with the Parish within the Last Five (5) years: ____ YES, or NO.

If YES, Please Provide Additional Information:

8) Prior Successful Completion of Projects of the Type and Nature of this Category of Professional Services:

Over 90% of our projects involve Project and/or Construction Management . We have successfully completed hundreds of projects, both large and small, including both full design and discipline-specific.

9) Registered as a Disadvantaged Business Enterprise (DBE) with State of Louisiana. Registration information is available on the State DBE site:

<http://www8.dotd.louisiana.gov/ucp/> . **Please attach the Certification issued by State of Louisiana.**
