4648 S I-10 Service Rd W, Metairie, La. 70001

Dear Mr. Lacoste

We have received your letter dated May 12, 2025 and have addressed the IMC 2021 and IECC2021 codes.

We have updated the drawing with the fresh air requirement calculations utilizing the exterior lobby doors to complete this code.

We have also researched the ductwork requirements and noted it on the drawing.

Sincerely,

*Brian Mistich*
