RE: YMCA Pool, Port Sulphur, LA

Dear Mr. Rotolo,

Thank you for the opportunity to propose our services for the referenced project. Dammon Engineering is pleased to provide you with our proposal to furnish engineering services for the above-proposed pool project in Port Sulphur, Louisiana. Our design will consist of the following:

- I. Pool Layout
- II. Piling Layout
- III. Sections and Details
- IV. Plans for Dept. of Health

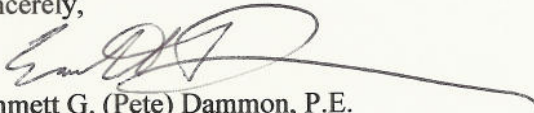

We propose a fee of \$5,500.00 (Five Thousand Five Hundred Dollars) for this work. This fee includes five sets of drawings, ready for permit application, provided to you following 100% design completion. Our fee *does not include* the cost of soils analysis, drainage studies (other than as indicated above), traffic studies, wetlands determination, or other engineering studies that may be required by government agencies.

If selected, the entire balance will be due following 100% design completion.

Dammon Engineering carries \$1,000,000. Professional/General Liability Insurance, Auto Insurance and Workmen's Compensation Insurance. We appreciate the opportunity to propose our services for this project. Please indicate your acceptance of the above by signing below. If you have any questions, or require any further information, please feel free to call.

By signing below you acknowledge that you are duly authorized to enter into and execute contracts/agreements on behalf of RCI.

Sincerely,

Emmett G. (Pete) Dammon, P.E.
