

The newspapers of **Louisiana** make public notices from their printed pages available electronically in a single database for the benefit of the public. This enhances the legislative intent of public notice - keeping a free and independent public informed about activities of their government and business activities that may affect them. Importantly, Public Notices now are in one place on the web (www.PublicNoticeAds.com), not scattered among thousands of government web pages.

PUBLIC NOTICE

REQUEST FOR STATEMENTS OF QUALIFICIATON FOR
SEWER PUMP STATION BYPASS VALVE RETROFIT
SOQ # 17-S002

Notice is hereby given that the City of Slidell, LA is requesting Statements of Qualification for architectural/ engineering services to design the retrofitting of bypass valves for sewer pump stations in the Bayou Pattasat drainage basin. Firms must have experience in this type of work. The work will include the planning, design, preparation of construction documents for bidding, bidding services, and construction administration.

This project is funded with federal grant funds. All applicable laws, ordinances, rules, regulations and special provisions of all authorities having jurisdiction over construction of the project shall apply to the contract throughout.

The city encourages participation by Minority and Disadvantaged Business Enterprises firms. If you or any of the subcontractors you plan to use fall in one of these categories, please identify such in your submittal.

Interested parties should submit three copies of their Statement of Qualification indicating their ability to do this type of work, including key personnel resumes and a listing of past and present related projects, with reference contacts. Please use either the SF330 or the SF255 form. These SOQ's shall be mailed or delivered to:
