

AFFIDAVIT OF ARCHITECT OR ENGINEER

**STATE OF LOUISIANA
PARISH OF ST. TAMMANY**

BEFORE ME, the undersigned authority, personally came and appeared **David Dammon of Dammon Engineering, Inc.**, (hereinafter referred to as “affiant”), who after being by me duly sworn, deposed and said that affiant has read this affidavit and does hereby agree under oath to comply with the applicable provisions of law set forth herein and affiant further states:

Affiant or affiant’s firm has been selected as architect for the St. Tammany Parish School Board to provide for the construction of **Covington Elementary School, Gymnasium HVAC and Roofing Replacement– St. Tammany Parish School Board Project No. 1919**; and

That in accordance with the provisions of Louisiana Revised Statutes 38:2224, affiant employed no person, corporation, firm, association, or other organization, either directly or indirectly, to secure the public contract under which affiant receives or received payment other than persons regularly employed by the affiant whose services in connection with the construction, alteration or demolition of the public building or project or in securing the public contract were all in the regular course of their duties for affiant; and

That no part of the contract price to be received or received by affiant was paid or will be paid to any person, corporation, firm, association, or other organization for soliciting the contract, other than the payment of their normal compensation to persons regularly employed by the affiant for the services in connection with the construction, alteration or demolition of the public building or project were in the regular course of their duties for the affiant.

Further, affiant acknowledges the provisions of Louisiana Revised Statutes 38:2190 and states that as an architect or engineer, or representative thereof, affiant does not own a substantial financial interest, either directly or indirectly, in any corporation, firm, partnership, or other organization which supplies materials for the construction of a public building or project when the affiant as architect or engineer has performed architectural or engineering services, either directly or indirectly in connection with the public building or project for which the materials are being supplied. Further, it is understood that for the purposes of this section, a “substantial financial interest” shall exclude any interest in stock being traded on the American Stock Exchange or the New York Stock Exchange.

Affiant does hereby further state that affiant has read and agrees to comply with and be subject to the provisions of Part V of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950, being Sections 2290 through 2296 of Title 38 as amended.

David Dammon, Affiant
