Tunneled under the slab 25' including one base hole to gain access to the broken bathroom's drain pipes under the slab. Installed new ABS plastic pipe and fittings secured to the slab with approved stainless steel hangers and anchors, as per local plumbing code. Foamed one tub box. The home did not have original hangers. Job filed and inspected with St Tammany Parish Plumbing Department and approved for backfill on 6/7/2017. Backfilled tunnel with dry river sand and cleaned job site.
