RE: Hot Dog Stand

Dear Mr. O'Neil,

It was a pleasure to meet with you Monday to discuss plans for your new project. Dammon Engineering is pleased to propose our Architect & Engineering services to provide a building floor plan only of your new Hot Dog stand to be located in Slidell, Louisiana.

As per our discussion, our fee for this for this building floor plan (kitchen w/drive up window, screened in area for seating) will be based on our hourly rate of \$85.00. Should you require a rendering of the facility, our fee for that service will be \$150/hour.

If you have any questions, or require any additional information, please feel free to call.

Sincerely,

Chuck Dammon, VP
Dammon Engineering, Inc.

Accepted:

Tim O'Neil
