To whom it may concern:

I am writing this letter of recommendation on behalf of Salacia Construction. Our company has worked with Salacia Construction on numerous projects since 2021. During this time period Salacia Construction have always performed excellent work ethics and met all of its obligations including paying subcontractors and suppliers in a timely manner.

Dammon Engineering considers Salacia Construction to be honest and capable. Dammon Engineering highly recommends Salacia Construction for a Contractor's license in the State Of Mississippi.
