Welcome Content ^

Complete your Profile:

- Click on **"Update contact information"** in the left menu to ensure your contact information is entered and updated. New registrants or new applicants will need to complete this first before starting an application.

Online Applications:

- Application for Engineering and/or Surveying Firm First-Time Licensure.
- To apply for individual licensure, sign out from this firm account and sign back in with your individual user ID and password. If you have not yet registered, click "Register" at <https://lola.lapels.com> and select the "Individual" option to create a new account.

Online Renewals/Reinstatements

- Licenses/certifications expiring in March may begin renewing in February. Those expiring in September may begin renewing in August.
- Once licenses/certifications have expired, licensees may apply to reinstate.
