Boat Registration and Boat/Outboard Motor Title Instructions

Boat Titles (effective August 2009); Outboard Motor Titles (effective May 2011)

A title DOES NOT replace registration but is in addition to registration.

A title provides ownership, and is required to secure ownership interest when a boat or outboard motor is financed.

ALL REQUESTS FOR REGISTRATION/TITLE TRANSACTIONS REQUIRE A COMPLETED APPLICATION ALONG WITH APPLICABLE DOCUMENTATION AS FOLLOWS. FAILURE TO SUPPLY ALL INFORMATION INCLUDING SIGNATURE OF OWNER WILL RESULT IN DELAYED PROCESSING OR DENIAL OF YOUR APPLICATION.

DOCUMENTATION THAT DEMONSTRATES THE CHAIN OF OWNERSHIP TO THE APPLICANT MUST BE SUBMITTED FOR ALL BOATS, NEW AND USED.

New Application: Required for any boat that has never been registered in Louisiana

New from Dealer: Original Manufacturer's Statement of Origin (MSO) **AND** copy of invoice from dealer. Proof of Louisiana state and local taxes must be evident on the invoice, or the application must be accompanied by a completed original Tax Payment Certification Form (R-1331) from LA Department of Revenue.

Boats from out of state: If boat was purchased from an individual who previously registered/titled the boat in another state, the applicant must submit the title and registration along with a bill of sale. If the boat was acquired in another state, previously titled or registered, applicant must submit invoice from the dealer, or a bill of sale, along with the title and/or registration and proof of ownership from titled/registered owner to dealer is required. **Applications for first time registration in Louisiana may be required to submit a completed tax payment certification form (R-1331) from LA Department of Revenue and your local tax-collecting agency, if at least one of the following is true. The value of the boat is \$2500 or greater, the vessel was manufactured within the last 10 years, and or the vessel was purchased from a dealership. Call telephone number at the bottom of this page for more clarification.**

Inspection Requirements: Boats without a Hull Identification Number (HIN) or an incorrect HIN and applying for registration for the first time must go through INSPECTION and must be titled in addition to being registered. A completed boat application and an inspection application must be submitted, along with original receipts for materials indicating taxes paid must be provided at the time of inspection. The Homemade Boat application process may be handled at the regional office. An appointment must be made in advance.

All United States Coast Guard documented boats used recreationally in Louisiana waters must also be registered. The application must be accompanied by a completed tax payment certification form (R-1331) from LA Department of Revenue and a copy of the US Coast Guard documentation in the applicant's name.

Transfer: A current Louisiana registration number must be on all applications for transfer of ownership. In addition to the application, a bill of sale that includes the registration number, hull identification number, make, model, and year of the boat, signature of seller and purchaser must be submitted. If the boat is titled, the title must be surrendered. If the owner of the boat is deceased, the application must be accompanied by the Judgment of Possession awarding the boat to Heir(s). If there is no succession, the affidavit for transfer of decedent's boat with a copy of the death certificate must be submitted. If the boat is sold by the heir(s), a bill of sale from the Heir(s) is required.

Duplicate Certificate: Current registration number must be on application.

Duplicate Decals with Certificate: Current registration number must be on application.

Duplicate Title (Boat or Motor): Current registration number must be on application.

Renewal: The application must contain the current registration number. You may also renew your boat via internet at the following website:
<https://louisianaoutdoors.com/boat-registration>

Titling Boats and Outboard Motors (25 HP and above): Application indicating title is needed must be submitted in addition to ownership documents listed above. If previously titled, the title **MUST** be surrendered at the time of registration and a new title will be issued. If title is held by a lien-holder, it must be surrendered and a new title will be issued. For motors that have never been previously titled, an Original Manufacturer's Statement of Origin, along with the invoice must be submitted. Proof of Louisiana State and Parish taxes must be evident on the invoice or application must be accompanied by a tax payment certification form (R-1331) from LA Dept. of Revenue. If the original Manufacturer Statement of Origin is unavailable for the outboard motor, a picture of the motor serial number must be submitted. If a boat and motor-25HP and above is financed, it must be titled.
